

Climate and Land Use Alliance

INDONESIA INITIATIVE

GRANTS AND CONTRACTS LIST

ONGOING

CAPPA – Ford Grant

PURPOSE: to strengthen the rights of marginalized local communities in Jambi by mapping and regulating customary areas and resolving forest tenure conflicts between communities and private sector companies

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: April 2014

Center for International Forestry Research (CIFOR) – ClimateWorks Grant

PURPOSE: to develop a report encouraging greater openness, inclusiveness and transparency in the formulation of a local regulation on sustainable palm oil in East Kalimantan Province

AMOUNT: \$60,000.00

DURATION: 21 months / Start date: July 2015

Center for International Policy (CIP) – Packard Grant

PURPOSE: to advocate for palm-oil producers and traders to commit to producing and sourcing palm oil without deforestation and to fully implement their existing commitments

AMOUNT: \$250,000.00

DURATION: 10 months / Start date: March 2016

Ceres – Packard Grant

PURPOSE: to develop a set of common corporate disclosure expectations for the implementation of No Deforestation, No Peat, and No Exploitation (NDPE) palm oil commitments

AMOUNT: \$124,000.00

DURATION: 6 months / Start date: July 2016

Climate Advisers – ClimateWorks Contract

PURPOSE: to promote transparency and forest governance within the palm oil sector by tracing institutional relationships and financial flows

AMOUNT: \$95,000.00

DURATION: 4 months / Start date: July 2016

Conservation International – Packard Grant

PURPOSE: to leverage U.S. retailers to achieve widespread sourcing of deforestation-free palm oil and to accelerate producer compliance with no-deforestation market commitments in Indonesia

AMOUNT: \$400,000.00

DURATION: 26 months / Start date: July 2016

Context Partners – Packard Grant

PURPOSE: to launch and run a prize competition in Indonesia to accelerate the unification of standards and methods for mapping and managing peatland

AMOUNT: \$658,000.00

DURATION: 24 months / Start date: January 2016

Context Partners – Packard Grant

PURPOSE: to support continued design and implementation of a prize competition for mapping peatland

AMOUNT: \$240,576.00

DURATION: 4 months / Start date: September 2015

Daemeter LLC – Packard Grant

PURPOSE: to advance jurisdictional approaches to sustainable palm oil and promote high-yield, low-impact smallholder palm oil production in Indonesia

AMOUNT: \$429,000.00

DURATION: 12 months / Start date: July 2016

Earth Innovation Institute (formerly IPAM International Program) – Packard Grant

PURPOSE: to expand an ongoing district-level effort to achieve low-emission rural development and certification of palm oil production in Central Kalimantan, Indonesia

AMOUNT: \$750,000.00

DURATION: 36 months / Start date: January 2016

Eka Melisa – ClimateWorks Contract

PURPOSE: to provide programmatic support to CLUA's Indonesia Initiative

AMOUNT: \$104,224.00

DURATION: 12 months / Start date: January 2017

Environmental Paper Network (EPN) – ClimateWorks Grant

PURPOSE: to advance effective implementation of corporate commitments through coordination across a network of NGOs

AMOUNT: \$150,000.00

DURATION: 9 months / Start date: June 2016

Epistema Institute – Ford Grant

PURPOSE: to strengthen implementation of national and district regulations related to peoples' land claims mechanism in and outside forest areas

AMOUNT: \$150,000.00

DURATION: 18 months / Start date: January 2015

Flora and Fauna International (FFI) – M.A. Cargill Grant

PURPOSE: to strengthen community-based forest management practices and reduce greenhouse gas emissions in Jambi Province, Indonesia

AMOUNT: \$2,000,000.00

DURATION: 36 months / Start date: June 2015

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to reduce carbon emissions from land use change by supporting forest peoples to achieve recognition of land rights

AMOUNT: \$383,712.00

DURATION: 3 months / Start date: January 2016

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to reduce carbon emissions from land use change by supporting forest peoples to achieve recognition of land rights

AMOUNT: \$399,141.00

DURATION: 11 months / Start date: April 2015

Forest Peoples Programme (FPP) – Ford Grant

PURPOSE: to help secure the rights of rural communities in Indonesia over their land and forests by engaging the plantation sector

AMOUNT: \$450,000.00

DURATION: 24 months / Start date: January 2016

Forest Watch Indonesia Association (FWI) – ClimateWorks Grant

PURPOSE: to investigate and disseminate information to stop the expansion of commercial timber plantations on peat and forested lands

AMOUNT: \$50,000.00

DURATION: 13 months / Start date: December 2015

Indigenous Peoples Alliance of the Archipelago (AMAN) – ClimateWorks Grant

PURPOSE: to monitor the implementation of national policies that recognize and protect communal rights in indigenous territories in seven priority regions

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: December 2016

Indigenous Peoples Alliance of the Archipelago (AMAN) – ClimateWorks Grant

PURPOSE: to improve forest governance in Indonesia by promoting the recognition and protection of indigenous peoples' rights over their ancestral domains

AMOUNT: \$150,000.00

DURATION: 13 months / Start date: December 2015

Indigenous Peoples Alliance of the Archipelago (AMAN) – Ford Grant

PURPOSE: to help secure the rights of indigenous people over their land and forests in Indonesia

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: July 2015

Indonesia Business Council for Sustainable Development (IBCSO) – ClimateWorks Grant

PURPOSE: to work with Indonesia Palm Oil Pledge (IPOP) companies, government and other stakeholders to facilitate implementation of the pledge commitments

AMOUNT: \$250,000.00

DURATION: 14 months / Start date: December 2015

Indonesian Center for Environmental Law (ICEL) – Ford Grant

PURPOSE: to improve access to information, public participation and justice related to the environment and natural resources in Indonesia

AMOUNT: \$200,000.00

DURATION: 25 months / Start date: November 2014

Indonesian Corruption Watch – Ford Grant

PURPOSE: to investigate and monitor law enforcement of corruption cases in the forestry and plantation sectors in Indonesia

AMOUNT: \$200,000.00

DURATION: 16 months / Start date: November 2014

Indonesian Participatory Mapping Network Foundation/ Jaringan Kerja Pemetaan Partisipatif (JKPP) – Ford Grant

PURPOSE: to advocate for recognition of the territorial rights of indigenous and other natural resource-dependent communities through participatory mapping and spatial planning

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: August 2014

Institute for Policy Analysis of Conflict (IPAC) – Ford Grant

PURPOSE: to research conflicts between local communities and plantations across Indonesia in order to strengthen evidence-based conflict resolution

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: December 2014

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to support communications needs related to the Indonesian government's commitment to restore and protect the country's peatlands

AMOUNT: \$300,000.00

DURATION: 10 months / Start date: March 2016

Karen Edwards – ClimateWorks Contract

PURPOSE: to support CLUA's Indonesia Initiative team in the development of the 2018-2022 strategy

AMOUNT: \$29,750.00

DURATION: 5 months / Start date: December 2016

Kemitraan - Partnership for Governance Reform – ClimateWorks Grant

PURPOSE: to develop an analysis related to sustainable and equitable economic development at the village level and communicate findings to key Government of Indonesia ministries

AMOUNT: \$80,000.00

DURATION: 7 months / Start date: November 2016

Kemitraan - Partnership for Governance Reform – ClimateWorks Grant

PURPOSE: to increase transparency and accountability within Indonesia's timber industry by strengthening timber production reporting and non-tax forest revenue collection systems

AMOUNT: \$240,000.00

DURATION: 18 months / Start date: October 2016

Kemitraan - Partnership for Governance Reform – ClimateWorks Grant

PURPOSE: to improve policies and practices of sustainable plantations that support the reduction of deforestation and tenurial conflicts

AMOUNT: \$250,000.00

DURATION: 18 months / Start date: November 2015

Kemitraan - Partnership for Governance Reform – Ford Grant

PURPOSE: to increase tenure security and expansion of forest areas managed by forest communities in eastern Indonesia

AMOUNT: \$455,000.00

DURATION: 18 months / Start date: November 2014

Komunitas Konservasi Indonesia WARSI (KKI WARSI) – ClimateWorks Grant

PURPOSE: to secure legal and financial mechanisms to support community based forest management in Jambi, including recognition of community managed areas in district development plans and forest management unit strategic plans

AMOUNT: \$100,000.00

DURATION: 8 months / Start date: July 2016

Komunitas Konservasi Indonesia WARSI (KKI WARSI) – ClimateWorks Grant

PURPOSE: to strengthen and expand community based management of peatland in Jambi

AMOUNT: \$100,008.00

DURATION: 8 months / Start date: June 2016

Land Empowerment Animals People (LEAP) – Packard Grant

PURPOSE: to engage with oil-palm smallholders in Sabah, Malaysia to prepare them for jurisdictional certification to RSPO standards and to assist them in improving their livelihoods and reducing their environmental impacts

AMOUNT: \$50,000.00

DURATION: 12 months / Start date: February 2016

Lembaga Gemawan – Ford Grant

PURPOSE: to improve land management by local communities in the context of palm oil expansion through local food sovereignty and forest management initiatives in the province of West Kalimantan

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: September 2014

Leusernomics – ClimateWorks Contract

PURPOSE: to provide spatial analysis support to the Peatland Restoration Agency (BRG) in its implementation of the peatland restoration regulation

AMOUNT: \$100,000.00

DURATION: 3 months / Start date: September 2016

Meridian Institute – ClimateWorks Contract

PURPOSE: to advance reconciliation of the HCSA and HCS+ methodologies to support the creation of clear rules for companies to implement their ‘no deforestation’ commitments

AMOUNT: \$199,016.00

DURATION: 10 months / Start date: March 2016

Mongabay Org Corporation – ClimateWorks Grant

PURPOSE: to track and raise awareness of Indonesia’s progress on its commitments related to peatlands, forests, and land use

AMOUNT: \$120,000.00

DURATION: 12 months / Start date: July 2016

Mongabay Org Corporation – ClimateWorks Grant

PURPOSE: to track and report on progress against Indonesia’s commitments related to natural resources, agrarian reform, community forests, and indigenous people

AMOUNT: \$50,000.00

DURATION: 6 months / Start date: December 2015

Mongabay Org Corporation – Ford Grant

PURPOSE: to promote forest and community-friendly policies in Indonesia and increase public understanding of the importance of expanding community rights over natural resources there

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: March 2016

Mongabay Org Corporation – Ford Grant

PURPOSE: to support an Indonesian language environmental information and analysis website promoting forest-friendly policies that enable sustainable community resource management and improve livelihoods

AMOUNT: \$275,000.00

DURATION: 24 months / Start date: February 2014

Mongabay Org Corporation – Packard Grant

PURPOSE: to increase accountability, transparency, and public awareness in the palm oil sector in Indonesia through the publication of investigative news articles

AMOUNT: \$200,000.00

DURATION: 23 months / Start date: February 2015

Oxfam America, Inc. – Ford Grant

PURPOSE: to increase the resilience of palm oil based livelihoods in Indonesian communities, with an emphasis on securing women's rights

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: November 2016

Oxfam America, Inc. – Packard Grant

PURPOSE: to continue developing a company-community partnership model for deforestation-free and exploitation-free commodity supply chains with a focus on palm oil smallholders and surrounding communities in Indonesia

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: April 2016

Oxfam America, Inc. – Packard Grant

PURPOSE: to develop a company-community partnership model for deforestation-free and exploitation-free commodity supply chains with a focus on palm oil smallholders and surrounding communities in Indonesia

AMOUNT: \$205,000.00

DURATION: 9 months / Start date: May 2015

Perkumpulan Jaringan Mediator Impartial Indonesia (IMN) – ClimateWorks Grant

PURPOSE: to improve the quality and impact of mediation in resolving forest and land conflicts between target private sector companies and communities

AMOUNT: \$150,087.00

DURATION: 16 months / Start date: September 2015

Perkumpulan Pancur Kasih (PPK) – Ford Grant

PURPOSE: to help indigenous and local communities in West Kalimantan retain control over and manage their natural resources using participatory mapping and spatial planning

AMOUNT: \$140,625.00

DURATION: 24 months / Start date: September 2015

Perkumpulan Transformasi untuk Keadilan Indonesia (TuK Indonesia) – ClimateWorks Grant

PURPOSE: to promote smallholders' access to technical and financial assistance, including strengthening their land rights, as an implementation priority for Indonesia's crude palm oil (CPO) fund

AMOUNT: \$97,461.00

DURATION: 13 months / Start date: November 2015

Perkumpulan Transformasi untuk Keadilan Indonesia (TuK Indonesia) – Packard Grant

PURPOSE: to hold two national seminars on sustainable finance in Indonesia

AMOUNT: \$25,000.00

DURATION: 6 months / Start date: March 2016

Persekutuan Hukum SAFiR (SAFiR) – ClimateWorks Contract

PURPOSE: to map regulations and policies related to peatland management, public consultations, and open access to information

AMOUNT: \$200,000.00

DURATION: 8 months / Start date: May 2016

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to support local partners in Indonesia working to improve forest governance in Indonesia by catalyzing demand-side pressure

AMOUNT: \$450,000.00

DURATION: 12 months / Start date: October 2016

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to leverage improvements in forest governance in Indonesia by exerting demand-side pressure on target companies, working with local partners in Indonesia

AMOUNT: \$450,000.00

DURATION: 13 months / Start date: October 2015

Rainforest Action Network (RAN) – Ford Grant

PURPOSE: to build the capacity of Indonesian communities to advocate for pulp and paper plantations to adopt best practices regarding community rights and to monitor compliance

AMOUNT: \$175,000.00

DURATION: 18 months / Start date: June 2015

Rainforest Alliance, Inc. – Packard Grant

PURPOSE: to provide proof-of-concept for a jurisdictional approach to sustainable palm-oil production in Indonesia, and to strengthen the market for sustainable palm oil in India

AMOUNT: \$542,500.00

DURATION: 24 months / Start date: April 2016

Rainforest Alliance, Inc. – Packard Grant

PURPOSE: to improve production and supply-chain management practices in the palm oil sector in Indonesia

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: September 2014

Redstone Strategy – ClimateWorks Contract

PURPOSE: to support the development of a multi-stakeholder partnership that will advance the transformation of the palm oil sector in Indonesia

AMOUNT: \$498,745.00

DURATION: 8 months / Start date: May 2016

Redstone Strategy – Packard Grant

PURPOSE: to assess options for public and private finance to support a transformation of the palm oil sector in Indonesia

AMOUNT: \$250,000.00

DURATION: 4 months / Start date: August 2015

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to promote land use emission reductions in Indonesia through a small grants and mentoring program that builds community capacity to engage with government, industry and community forest management

AMOUNT: \$750,264.00

DURATION: 18 months / Start date: April 2016

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to promote land use emission reductions in Indonesia through a small grants and mentoring program that builds community capacity to engage with government, industry and community forest management

AMOUNT: \$774,336.00

DURATION: 12 months / Start date: April 2015

Scale Up – Ford Grant

PURPOSE: to expand and strengthen community-based alternative dispute resolution as a tool for resolving natural resource conflicts and to develop a natural resource conflict monitoring system

AMOUNT: \$300,000.00

DURATION: 18 months / Start date: August 2015

Serai Kelola Alam (Sekala) – Ford Grant

PURPOSE: to enhance information, knowledge and capacity related to indigenous communities' customary claims over forests and land in Indonesia

AMOUNT: \$200,000.00

DURATION: 16 months / Start date: October 2015

Serikat Petani Kelapa Sawit (SPKS) – ClimateWorks Grant

PURPOSE: to strengthen the institutional and technical capacities of SPKS to better assist, represent and advocate for oil palm smallholders in Indonesia

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: December 2016

Serikat Petani Kelapa Sawit (SPKS) – ClimateWorks Grant

PURPOSE: to support the implementation of sustainable palm oil production by smallholders in Indonesia

AMOUNT: \$120,099.00

DURATION: 12 months / Start date: November 2015

Seventy Three – ClimateWorks Contract

PURPOSE: to develop a report identifying opportunities and challenges that could potentially avoid the high emissions development trajectory of regions such as Sumatra and Kalimantan

AMOUNT: \$15,000.00

DURATION: 4 months / Start date: June 2016

Solidaridad North America – Packard Grant

PURPOSE: to initiate a pilot project aimed at producing a scaleable, district-level model, for improving smallholder palm oil production in Indonesia while reducing deforestation and peat degradation

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: January 2016

Stanford Woods Institute for the Environment – Packard Grant

PURPOSE: to catalyze an ambitious partnership to transform the palm oil sector in Indonesia in a way that protects forests and peatlands, respects rights of local communities, and supports small farmers

AMOUNT: \$314,734.00

DURATION: 12 months / Start date: July 2015

Stichting Oxfam Novib – Ford Grant

PURPOSE: to secure land and forest resources and improve labor conditions for Indonesian communities affected by the palm oil sector

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: July 2014

The Nature Conservancy, Inc. (TNC) – Packard Grant

PURPOSE: to catalyze and support the development of a "Green Growth Compact" in East Kalimantan, Indonesia

AMOUNT: \$500,000.00

DURATION: 12 months / Start date: October 2015

Ulu Foundation – ClimateWorks Grant

PURPOSE: to expand and enhance the capacity of CSOs and government agencies to use anti-money laundering and tax regulations in order to encourage natural resource-based industries in Indonesia to adopt sustainable practices

AMOUNT: \$220,000.00

DURATION: 26 months / Start date: November 2014

Ulu Foundation – Ford Grant

PURPOSE: to promote transparency and good governance of financial flows and the adoption of environmental and social safeguards in Indonesia through policy analysis

AMOUNT: \$100,000.00

DURATION: 13 months / Start date: March 2015

University of Arizona Foundation – ClimateWorks Grant

PURPOSE: to continue to strengthen capacity for resolving agrarian and natural resource management conflicts in Indonesia, primarily those related to forest management and plantations

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: September 2016

University of Maryland – ClimateWorks Grant

PURPOSE: to quantify Indonesia's forest cover loss between 1980-2000 and provide a comprehensive monitoring system for natural forest deforestation

AMOUNT: \$82,943.00

DURATION: 26 months / Start date: December 2014

Urban and Regional Development Institute (URDI) – ClimateWorks Grant

PURPOSE: to advance implementable recommendations for an environmental financing mechanism in Indonesia

AMOUNT: \$100,000.00

DURATION: 6 months / Start date: December 2016

Urban and Regional Development Institute (URDI) – ClimateWorks Grant

PURPOSE: to assess the impact of provincial and district development targets on land use change and climate change in Indonesia

AMOUNT: \$60,000.00

DURATION: 4 months / Start date: October 2016

Wahana Bumi Hijau (WBH) – Ford Grant

PURPOSE: to help resolve forest tenure conflicts through alternative dispute resolution and government-approved community-based forest management programs

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: October 2014

Wetlands International – ClimateWorks Grant

PURPOSE: to support the restoration and sustainable management of Indonesian peatlands through engagement with the private sector, civil society and the Government of Indonesia

AMOUNT: \$438,346.00

DURATION: 18 months / Start date: April 2016

Windward Fund – Packard Grant

PURPOSE: to achieve proof-of-concept for a jurisdictional approach to align public and private incentives with reduced emissions from land-use change at provincial and district levels in Indonesia

AMOUNT: \$242,500.00

DURATION: 14 months / Start date: February 2016

Winrock International – Packard Grant

PURPOSE: to engage stakeholders in a jurisdictional approach to substantially reduce greenhouse gas emissions from peatlands and palm oil production

AMOUNT: \$550,000.00

DURATION: 26 months / Start date: August 2016

Winrock International – Packard Grant

PURPOSE: to slow, stop, and potentially reverse peatland conversion and reduce greenhouse gas emissions in Indonesia's palm oil sector

AMOUNT: \$249,000.00

DURATION: 12 months / Start date: November 2014

Woods & Wayside International, Inc. (WWI) – ClimateWorks Grant

PURPOSE: to increase transparency and accountability within Indonesia's timber industry by working with Indonesian partners to strengthen timber production reporting and non-tax forest revenue collection systems

AMOUNT: \$160,000.00

DURATION: 18 months / Start date: October 2016

Woods & Wayside International, Inc. (WWI) – Ford Grant

PURPOSE: to promote community rights and pro-poor decision making within the context of Indonesia's pulp industry expansion

AMOUNT: \$100,000.00

DURATION: 24 months / Start date: July 2015

World Wildlife Fund (WWF) – M.A. Cargill Grant

PURPOSE: to demonstrate community forest management as a viable alternative to other land uses in Papua, protecting high-conservation value tropical forests from deforestation and degradation

AMOUNT: \$2,500,000.00

DURATION: 36 months / Start date: January 2016

Yayasan AURIGA Nusantara – ClimateWorks Grant

PURPOSE: to improve forest and land use governance through spatial analysis and civil society organizations' participation

AMOUNT: \$149,575.00

DURATION: 10 months / Start date: August 2016

Yayasan AURIGA Nusantara – ClimateWorks Grant

PURPOSE: to improve forest and land use governance in Indonesia by supporting civil society organizations to effectively monitor and implement forest licensing and land use planning regulations

AMOUNT: \$149,995.00

DURATION: 12 months / Start date: June 2015

Yayasan Institut Sumber Daya Dunia (WRI Indonesia) – ClimateWorks Grant

PURPOSE: to facilitate the development of a geospatial database with social and economic data of Riau province

AMOUNT: \$300,000.00

DURATION: 17 months / Start date: December 2015

Yayasan Institut Sumber Daya Dunia (WRI Indonesia) – Packard Grant

PURPOSE: to support the implementation of a prize competition in Indonesia to accelerate the unification of standards and methods for mapping and managing peatland

AMOUNT: \$459,700.00

DURATION: 24 months / Start date: January 2016

Yayasan Institute Deliverologi Indonesia (IDeA) – ClimateWorks Grant

PURPOSE: to develop and implement social and environmental safeguards for the production and use of palm oil based biofuels in Indonesia

AMOUNT: \$100,000.00

DURATION: 7 months / Start date: June 2016

Yayasan Institute Deliverologi Indonesia (IDeA) – ClimateWorks Grant

PURPOSE: to respond to a request from the newly-formed Peatland Restoration Agency (BRG) for technical assistance in the development of strategy and engagement with stakeholders

AMOUNT: \$250,000.00

DURATION: 10 months / Start date: March 2016

Yayasan Institute Deliverologi Indonesia (IDeA) – ClimateWorks Grant

PURPOSE: to develop recommendations for renewable energy and biofuel policies that support reduced deforestation and GHG emissions in Indonesia

AMOUNT: \$119,860.00

DURATION: 6 months / Start date: October 2015

Yayasan Konsorsium Pembaruan Agraria (KPA) – Ford Grant

PURPOSE: to help small and landless farmers gain secure access to land and forest resources and provide them with agricultural extension, financial and other support services

AMOUNT: \$150,000.00

DURATION: 24 months / Start date: January 2016

Yayasan Perspektif Baru – Ford Grant

PURPOSE: to develop a communications strategy for Indonesian grantees working on expanding community rights over natural resources

AMOUNT: \$400,000.00

DURATION: 18 months / Start date: August 2015

Yayasan Solidaritas Perempuan Foundation – Ford Grant

PURPOSE: to build collective action and provide legal aid to women whose rights are violated by timber and oil palm plantations

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: August 2014

Yayasan Wahana Lingkungan Hidup Indonesia (WALHI) – ClimateWorks Grant

PURPOSE: to analyze the causes and consequences of fires in five Indonesian provinces, and to disseminate this evidence broadly to create momentum for reform of land use and management policies

AMOUNT: \$100,042.00

DURATION: 12 months / Start date: December 2015

Yayasan WWF Indonesia – ClimateWorks Grant

PURPOSE: to monitor the implementation of zero-deforestation commitments made by major palm oil and pulp companies in Indonesia

AMOUNT: \$300,000.00

DURATION: 17 months / Start date: August 2015

Zoological Society of London (ZSL) – Packard Grant

PURPOSE: to revise the Sustainable Palm Oil Transparency Toolkit (SPOTT) indicator framework to incorporate human rights indicators and to increase accountability and coherence in the reporting expectations of palm oil producers

AMOUNT: \$45,000.00

DURATION: 8 months / Start date: August 2016

CLOSED

Association for Indigenous Community Legal Resources Empowerment (LBBT) – Ford Grant

PURPOSE: to strengthen legal processes to ensure that indigenous communities in West Kalimantan gain recognition of their traditional lands

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: March 2013

Association for Indigenous Community Legal Resources Empowerment (LBBT) – Ford Grant

PURPOSE: to secure legal recognition of indigenous communities' spatial planning and land use in five districts of West Kalimantan

AMOUNT: \$100,000.00

DURATION: 18 months / Start date: August 2011

Association for the Renewal of the Community and Ecology-Based Law (HuMa) – Ford Grant

PURPOSE: to advance community-based forest management (CBFM) as a means of contributing to poverty reduction and enhancing participation in sustainably managing forests

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: April 2013

Association for the Renewal of the Community and Ecology-Based Law (HuMa) – Ford Grant

PURPOSE: to implement environmental and social safeguards at the national and subnational level in Indonesia's forestry conservation and REDD programs

AMOUNT: \$75,000.00

DURATION: 12 months / Start date: July 2011

Association for the Renewal of the Community and Ecology-Based Law (HuMa) – Ford Grant

PURPOSE: to support research and legal capacity building to resolve existing conflicts between communities, private sector and government and to promote community forest management

AMOUNT: \$200,000.00

DURATION: 18 months / Start date: May 2011

Ateneo de Manila – ClimateWorks Grant

PURPOSE: to review and analyze scientific efforts and institutional dynamics that led to consensus on Indonesia's estimated emission numbers and Nationally Appropriate Mitigation Actions

AMOUNT: \$92,736.00

DURATION: 18 months / Start date: November 2010

Burung Indonesia – ClimateWorks Grant

PURPOSE: to produce and disseminate an analysis of REDD+ opportunities and procedural constraints under Indonesia's new Ecosystem Restoration Concessions (ERC)

AMOUNT: \$90,000.00

DURATION: 11 months / Start date: March 2011

CAPPA – Ford Grant

PURPOSE: to support community-company conflict resolution in high-carbon areas in Jambi to advance community rights

AMOUNT: \$175,000.00

DURATION: 26 months / Start date: June 2012

Center for International Forestry Research (CIFOR) – ClimateWorks Grant

PURPOSE: to increase REDD+ literacy in Indonesia through outreach and capacity building

AMOUNT: \$415,000.00

DURATION: 12 months / Start date: November 2010

Climate Advisers – ClimateWorks Contract

PURPOSE: to strengthen the US-Indonesia partnership on forests

AMOUNT: \$34,000.00

DURATION: 5 months / Start date: February 2014

Community Network for Natural Resource Management - Jaringan Kerja Rakyat Untuk Pengelolaan Sumber Daya Alam (Jerat) – ClimateWorks Grant

PURPOSE: to compile accurate information on indigenous community claims, land use and natural resources management licenses/projects in five districts in the province of Papua

AMOUNT: \$114,000.00

DURATION: 12 months / Start date: December 2012

Daemeter Consulting – ClimateWorks Contract

PURPOSE: to support analysis for sustainably growing the palm oil sector in Indonesia

AMOUNT: \$142,032.00

DURATION: 12 months / Start date: December 2012

Daemeter Consulting – Packard Grant

PURPOSE: to develop a scoping study that will identify priority geographies and program components for applying a jurisdictional approach to sustainable palm oil in Indonesia

AMOUNT: \$228,000.00

DURATION: 6 months / Start date: February 2015

Daemeter LLC – ClimateWorks Contract

PURPOSE: to develop a study on the challenges and opportunities in channeling investments toward palm oil smallholders in Indonesia

AMOUNT: \$249,800.00

DURATION: 12 months / Start date: August 2015

Deborah Lawrence – ClimateWorks Contract

PURPOSE: to conduct research on the GHG reduction potential of degraded lands in Indonesia

AMOUNT: \$54,369.00

DURATION: 9 months / Start date: May 2011

Dewan Kehutanan Nasional (DKN) – ClimateWorks Grant

PURPOSE: for a multi-stakeholder forum on low-emission forestry

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: November 2012

Down to Earth – Ford Grant

PURPOSE: to support research, dissemination, and advocacy related to negative local impacts from natural resource extraction in Indonesia, including palm oil and paper, that involve European markets

AMOUNT: \$125,000.00

DURATION: 18 months / Start date: March 2013

Environmental Paper Network (EPN) – ClimateWorks Grant

PURPOSE: to leverage improvements in forest governance in Indonesia by working with global and Indonesian NGO partners to educate and reform target companies in the pulp and paper industry

AMOUNT: \$183,250.00

DURATION: 12 months / Start date: October 2014

Epistema Institute – ClimateWorks Grant

PURPOSE: to coordinate a consensus-building dialogue in Indonesia between organizations working on land and forest tenure reform and the Ministry of Forestry on the actions required to achieve meaningful policy reform that secures the rights of communities living

AMOUNT: \$160,000.00

DURATION: 12 months / Start date: July 2012

Flora and Fauna International (FFI) – ClimateWorks Grant

PURPOSE: to support ongoing and innovative approaches to involving local communities in the implementation of REDD+ in Indonesia

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: September 2011

Flora and Fauna International (FFI) – ClimateWorks Grant

PURPOSE: to reduce forest loss and degradation in Jambi province through community-based forest tenure and sustainable forest management

AMOUNT: \$249,218.00

DURATION: 18 months / Start date: February 2011

Flora and Fauna International (FFI) – M.A. Cargill Grant

PURPOSE: to support community-based forest conservation and climate mitigation in Jambi

AMOUNT: \$1,244,735.00

DURATION: 36 months / Start date: June 2012

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to reduce carbon emissions from land use change by supporting forest peoples to achieve recognition of land rights

AMOUNT: \$525,295.00

DURATION: 12 months / Start date: April 2014

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to support local and national advocacy by local communities to address major public and private sector threats to forests in Indonesia

AMOUNT: \$139,085.00

DURATION: 4 months / Start date: January 2014

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to support local and national advocacy by local communities to address major public and private sector threats to forests in Indonesia

AMOUNT: \$556,339.00

DURATION: 15 months / Start date: January 2013

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to use national and international legal and policy instruments to recognize the rights of local communities within threatened high carbon landscapes in Indonesia

AMOUNT: \$468,945.00

DURATION: 14 months / Start date: January 2012

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to use national and international legal and policy instruments to recognize the rights of local communities

AMOUNT: \$435,000.00

DURATION: 12 months / Start date: January 2011

Forest Peoples Programme (FPP) – ClimateWorks Grant

PURPOSE: to engage forest peoples with policy makers to ensure that their natural resource rights are respected in the REDD initiatives

AMOUNT: \$249,672.00

DURATION: 12 months / Start date: January 2010

Forest Peoples Programme (FPP) – Ford Grant

PURPOSE: to help secure land rights of local communities in Indonesia by engaging with the plantation sector

AMOUNT: \$800,000.00

DURATION: 36 months / Start date: January 2013

Forest Trends Association – ClimateWorks Grant

PURPOSE: to promote greater transparency and critical analysis of the pulp sector

AMOUNT: \$80,000.00

DURATION: 13 months / Start date: December 2013

Handcrafted Films – ClimateWorks Contract

PURPOSE: to produce a high quality, 3-minute film in the Malinau district of Indonesia, highlighting indigenous communities' forest management and livelihood practices and their struggles against private companies

AMOUNT: \$50,605.00

DURATION: 4 months / Start date: April 2014

Indigenous Peoples Alliance of the Archipelago (AMAN) – ClimateWorks Grant

PURPOSE: to improve forest governance in Indonesia by promoting the recognition and protection of indigenous peoples' rights over their ancestral domains

AMOUNT: \$199,826.00

DURATION: 14 months / Start date: November 2014

Indigenous Peoples Alliance of the Archipelago (AMAN) – Ford Grant

PURPOSE: to advance Indigenous land rights by building institutional capacity and improving communications

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: January 2013

Indonesian Center for Environmental Law (ICEL) – ClimateWorks Grant

PURPOSE: to support legal strategies to prevent illegal peat and forest clearing, defend local rights, and achieve a more balanced, low emissions rural development approach

AMOUNT: \$150,000.00

DURATION: 25 months / Start date: December 2011

Indonesian Center for Environmental Law (ICEL) – Ford Grant

PURPOSE: to strengthen community access to information and the judicial system with regard to natural resource rights

AMOUNT: \$200,000.00

DURATION: 38 months / Start date: May 2011

Indonesian Participatory Mapping Network Foundation/ Jaringan Kerja Pemetaan Partisipatif (JKPP) – Ford Grant

PURPOSE: to support participatory mapping and spatial planning to clarify and advocate for recognition of the territorial rights of indigenous communities and other natural resource-dependent communities

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: April 2012

Indraneel Datta – ClimateWorks Contract

PURPOSE: for a scoping exercise for increasing the positive role of the Indonesian National Parliament in Reducing Land-Based Emissions in Indonesia

AMOUNT: \$28,900.00

DURATION: 6 months / Start date: October 2011

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to build public support for key narratives presented by Indonesia at the UNFCCC Conference of Parties (COP) in Paris, particularly focused around the Indigenous Peoples' Task Force and palm oil sustainability

AMOUNT: \$311,018.00

DURATION: 6 months / Start date: September 2015

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to coordinate strategic communications to promote a fully sustainable palm oil sector, strengthen the One Map policy program, and support community and indigenous peoples' rights in Indonesia

AMOUNT: \$220,000.00

DURATION: 6 months / Start date: April 2015

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to provide strategic communications and coordination services for urging President Joko "Jokowi" Widodo to make a "blusukan" or impromptu field-visit to see peatland and forest fires in Riau and interact with local communities and key stakeholders

AMOUNT: \$44,005.00

DURATION: 3 months / Start date: October 2014

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to support the One Map claim and verification process through the development and implementation of a communications strategy that encourages participation from key stakeholders including right holders, local government agencies and civil society organiza

AMOUNT: \$125,005.00

DURATION: 10 months / Start date: June 2014

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to increase public awareness of climate change, forests, community rights and the importance of a balanced rural economy in Indonesia

AMOUNT: \$398,875.00

DURATION: 13 months / Start date: December 2013

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to create and execute a media strategy for the June 2013 Tropical Forest Alliance (TFA) event in Jakarta

AMOUNT: \$18,263.00

DURATION: 1 months / Start date: June 2013

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to develop a media campaign for increasing public awareness of the expansion of Indonesia's palm oil industry and its related environmental threats

AMOUNT: \$450,000.00

DURATION: 14 months / Start date: October 2012

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to develop a public education, public events and media campaign to increase awareness about sustainable rural development and the advantages of developing a green economy in Indonesia

AMOUNT: \$249,982.00

DURATION: 11 months / Start date: March 2012

InterMatrix Communications – ClimateWorks Contract

PURPOSE: to develop a public education and media campaign to increase climate literacy and awareness about the advantages of low-carbon development

AMOUNT: \$150,000.00

DURATION: 7 months / Start date: May 2011

InterMatrix Communications – Ford Grant

PURPOSE: to use strategic communications to support efforts to extend and strengthen community rights over land and forest resources to contribute to a low emissions rural economy

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: October 2013

International Centre for Research in Agroforestry (ICRAF) – ClimateWorks Grant

PURPOSE: to develop and establish effective low-carbon development strategy planning and mechanisms at sub-national level to reduce land-use emissions and increase carbon stocks

AMOUNT: \$349,984.00

DURATION: 12 months / Start date: December 2010

International Centre for Research in Agroforestry (ICRAF) – Ford Grant

PURPOSE: for applied research examining the feasibility of sustainable biofuels production for oil palm in West Kalimantan

AMOUNT: \$147,212.00

DURATION: 24 months / Start date: August 2011

International Centre for Research in Agroforestry (ICRAF) – M.A. Cargill Grant

PURPOSE: to protect biodiversity through improved community forest management and agroforestry

AMOUNT: \$1,206,975.00

DURATION: 43 months / Start date: September 2012

Kemitraan - Partnership for Governance Reform – ClimateWorks Grant

PURPOSE: to improve forestry and land use governance through multi-stakeholder engagement and cooperation in REDD+ policy development, acceleration of forest gazetment, and sustainable plantation management

AMOUNT: \$245,400.00

DURATION: 15 months / Start date: July 2013

Kemitraan - Partnership for Governance Reform – ClimateWorks Grant

PURPOSE: to intensify multi-stakeholders engagement in the implementation of REDD+ and low carbon development pathways at national and sub national level in Central Kalimantan

AMOUNT: \$250,000.00

DURATION: 15 months / Start date: November 2011

Kemitraan - Partnership for Governance Reform – ClimateWorks Grant

PURPOSE: to support work to build forest and climate governance in Indonesia

AMOUNT: \$280,000.00

DURATION: 10 months / Start date: August 2010

Komunitas Konservasi Indonesia WARSI (KKI WARSI) – ClimateWorks Grant

PURPOSE: to strengthen and expand community based management of forests in western Jambi

AMOUNT: \$100,000.00

DURATION: 7 months / Start date: December 2015

Komunitas Konservasi Indonesia WARSI (KKI WARSI) – ClimateWorks Grant

PURPOSE: to support low carbon emissions development in forest and peat land areas of eastern Jambi Province through improved community participation and private sector leadership

AMOUNT: \$160,000.00

DURATION: 12 months / Start date: January 2015

Komunitas Konservasi Indonesia WARSI (KKI WARSI) – ClimateWorks Grant

PURPOSE: to support the implementation of low carbon emissions development in forest and peat land areas of Jambi through policies on spatial planning and sustainable forest management

AMOUNT: \$234,939.00

DURATION: 16 months / Start date: July 2013

Komunitas Konservasi Indonesia WARSI (KKI WARSI) – ClimateWorks Grant

PURPOSE: to slow plantation expansion in Jambi through policies and spatial planning based on low-carbon development strategies

AMOUNT: \$200,347.00

DURATION: 14 months / Start date: November 2011

Lanting Borneo – Ford Grant

PURPOSE: to strengthen community rights over forest and land in West Kalimantan

AMOUNT: \$100,000.00

DURATION: 24 months / Start date: June 2012

Lembaga Gemawan – ClimateWorks Grant

PURPOSE: to facilitate a community-driven spatial planning process in three provinces of West Kalimantan

AMOUNT: \$100,000.00

DURATION: 15 months / Start date: December 2011

Lembaga Gemawan – Ford Grant

PURPOSE: to develop methodologies and models for ensuring community land-use planning inclusion in the ongoing national spatial planning process through work in West Kalimantan

AMOUNT: \$180,000.00

DURATION: 24 months / Start date: July 2012

Leusernomics – ClimateWorks Contract

PURPOSE: for technical assistance to support efforts to protect high conservation value/high carbon stock forests in palm oil concessions

AMOUNT: \$197,000.00

DURATION: 3 months / Start date: April 2016

LifeMosaic – ClimateWorks Grant

PURPOSE: to strengthen the case for community land rights by developing films on land rights for Indonesian Indigenous and local communities and policy makers

AMOUNT: \$240,000.00

DURATION: 24 months / Start date: August 2013

LifeMosaic – ClimateWorks Grant

PURPOSE: to develop films on land rights for Indonesian indigenous and local communities and to disseminate a film on industrial tree plantations

AMOUNT: \$150,020.00

DURATION: 9 months / Start date: November 2012

LifeMosaic – ClimateWorks Grant

PURPOSE: to strengthen the ability of local communities to address the expansion of timber plantations onto high-carbon landscapes in Indonesia

AMOUNT: \$200,000.00

DURATION: 13 months / Start date: October 2011

LifeMosaic – ClimateWorks Grant

PURPOSE: for development of audio-visual climate literacy tools for forest dependent peoples in Indonesia

AMOUNT: \$137,060.00

DURATION: 15 months / Start date: May 2010

LifeMosaic – Ford Grant

PURPOSE: to produce and distribute an audio-visual land and forest rights course for affected communities and their civil society organization advocates

AMOUNT: \$239,000.00

DURATION: 24 months / Start date: June 2013

Maclennan Adams Ltd – ClimateWorks Contract

PURPOSE: to develop a private sector engagement strategy for CLUA in Indonesia

AMOUNT: \$78,200.00

DURATION: 6 months / Start date: June 2013

Mazars Starling Resources – ClimateWorks Contract

PURPOSE: to design and implement low carbon business planning for key private sector players in partnership with Indonesia's Chamber of Commerce

AMOUNT: \$155,573.00

DURATION: 6 months / Start date: November 2013

Mazars Starling Resources – ClimateWorks Contract

PURPOSE: to design and implement low carbon business planning for key private sector players -- "Low Carbon Consortium for Sustainable Growth" with Indonesian Chamber of Commerce

AMOUNT: \$137,632.00

DURATION: 14 months / Start date: July 2012

McKinsey & Company Singapore – ClimateWorks Contract

PURPOSE: to provide technical and analytical assistance to the Government of Central Kalimantan Province for the development of a low carbon development strategy

AMOUNT: \$200,000.00

DURATION: 3 months / Start date: June 2011

McKinsey & Company Singapore – ClimateWorks Contract

PURPOSE: to support the National Council on Climate Change and the REDD+ Task Force on design and implementation of elements of the Letter of Intent between Indonesia and Norway

AMOUNT: \$900,000.00

DURATION: 3 months / Start date: October 2010

McKinsey & Company Singapore – ClimateWorks Contract

PURPOSE: to continue developing and communicating Indonesia's Greenhouse Gas Abatement Cost Curve

AMOUNT: \$400,000.00

DURATION: 7 months / Start date: January 2010

Meridian Institute – ClimateWorks Contract

PURPOSE: to prepare for, facilitate, and follow-up from a CLUA Indonesia Initiative Palm Oil strategy meeting

AMOUNT: \$21,510.00

DURATION: 3 months / Start date: May 2015

Meridian Institute – ClimateWorks Contract

PURPOSE: to prepare, facilitate and provide follow-up for a CLUA-sponsored workshop on palm oil in North Sumatra, Indonesia

AMOUNT: \$20,711.00

DURATION: 2 months / Start date: April 2014

Monash Sustainability Institute – ClimateWorks Grant

PURPOSE: to document community narratives in Riau and Jambi provinces

AMOUNT: \$20,000.00

DURATION: 15 months / Start date: October 2012

Mongabay Org Corporation – ClimateWorks Grant

PURPOSE: to promote low-carbon development in Indonesia through strategic communications and communications capacity building

AMOUNT: \$150,000.00

DURATION: 13 months / Start date: December 2014

Mongabay Org Corporation – ClimateWorks Grant

PURPOSE: to document, track and publicize progress on Government of Indonesia's commitments to social and environmental issues

AMOUNT: \$60,000.00

DURATION: 7 months / Start date: December 2014

Mongabay Org Corporation – ClimateWorks Grant

PURPOSE: to promote low-carbon development in Indonesia through strategic communications and communications capacity building

AMOUNT: \$100,000.00

DURATION: 13 months / Start date: April 2013

Mongabay Org Corporation – Ford Grant

PURPOSE: for Indonesian language environmental news reporting and analysis to improve transparency around land-use and raise public awareness about forests

AMOUNT: \$250,000.00

DURATION: 30 months / Start date: January 2012

Natural Capital Advisors – Ford Grant

PURPOSE: to develop a database on conflicts between communities and plantations using latest mobile and information technologies to improve transparency and accountability

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: June 2012

Pastoral and Ecclesiastical News Agency (PENA) – Ford Grant

PURPOSE: to empower rural women living around or working in oil palm plantations to better organize themselves in negotiating with the companies and in attaining increased livelihood options

AMOUNT: \$150,000.00

DURATION: 24 months / Start date: November 2013

Pastoral and Ecclesiastical News Agency (PENA) – Ford Grant

PURPOSE: to support women's rights related to forest resources, oil palm and low-carbon development in W. Kalimantan

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: June 2012

Perkumpulan Pancur Kasih (PPK) – Ford Grant

PURPOSE: to strengthen indigenous communities' control and management over their land and forest resources in West Kalimantan through participatory mapping and spatial planning

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: September 2013

Perkumpulan Pancur Kasih (PPK) – Ford Grant

PURPOSE: to support community mapping in proposed REDD+ project territories

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: June 2011

Perkumpulan Transformasi untuk Keadilan Indonesia (TuK Indonesia) – ClimateWorks Grant

PURPOSE: to raise awareness of corruption within the palm oil sector in Indonesia in order to improve governance and reduce emissions

AMOUNT: \$26,960.00

DURATION: 9 months / Start date: December 2014

Peter Riggs – ClimateWorks Contract

PURPOSE: to review and evaluate the CLUA-supported Samdhana small-grants program from mid-2010 to the present, with a focus on assessing its contributions to the achievement of the strategic objectives of CLUA's Indonesia Initiative

AMOUNT: \$30,000.00

DURATION: 5 months / Start date: December 2013

Pivot Point – ClimateWorks Contract

PURPOSE: to conduct an external evaluation of CLUA's grants to Rainforest Action Network (RAN) aimed at leveraging improvements in sustainable forest practices of two global commodities – palm oil and wood fiber - in Indonesia by maintaining demand-side pressure,

AMOUNT: \$55,000.00

DURATION: 4 months / Start date: March 2015

QBAR – Ford Grant

PURPOSE: to support community-company conflict resolution in high-carbon areas in West Sumatra to advance community rights

AMOUNT: \$175,000.00

DURATION: 24 months / Start date: May 2012

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to leverage improvements in sustainable forest practices of two major pulp and paper producers in Indonesia by maintaining demand-side pressure, monitoring the compliance of commitments on sustainability and forest conservation, and promoting land reform

AMOUNT: \$90,000.00

DURATION: 4 months / Start date: June 2015

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to leverage improvements in sustainable forest practices of two major pulp and paper producers in Indonesia by maintaining demand-side pressure, monitoring the compliance of commitments on sustainability and forest conservation, and promoting land reform

AMOUNT: \$470,000.00

DURATION: 12 months / Start date: June 2014

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to leverage improvements in forest governance in Indonesia, working with local partners in Indonesia, by exposing links between pulp and paper production, land conflict and human rights violations; strengthening voluntary standards and commodity roundtable

AMOUNT: \$511,000.00

DURATION: 12 months / Start date: June 2013

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to increase supply chain transparency and reshape international demand for Indonesian pulp and paper to improve forest management, monitoring, and governance

AMOUNT: \$350,000.00

DURATION: 12 months / Start date: June 2012

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to increase supply chain transparency and reshape international demand for Indonesian pulp and paper to improve forest management, monitoring, and governance

AMOUNT: \$275,000.00

DURATION: 12 months / Start date: June 2011

Rainforest Action Network (RAN) – ClimateWorks Grant

PURPOSE: to address international market incentives driving the conversion of Indonesian rainforest to pulp and paper plantations

AMOUNT: \$290,000.00

DURATION: 12 months / Start date: June 2010

Rainforest Action Network (RAN) – Ford Grant

PURPOSE: to help local communities advocate for and monitor the compliance of pulp and paper plantations with best practice standards

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: June 2013

Rainforest Foundation Norway (RFN) – Ford Grant

PURPOSE: for monitoring Indonesia's implementation of a moratorium on forest land conversion to reduce deforestation and forest degradation and secure sustainable protection of natural resources

AMOUNT: \$200,000.00

DURATION: 17 months / Start date: August 2011

Rajawali Foundation – ClimateWorks Grant

PURPOSE: to support a study to formulate a strategy for the development of an independent, Indonesia-based policy research and education institution

AMOUNT: \$27,500.00

DURATION: 3 months / Start date: June 2013

Redstone Strategy – ClimateWorks Contract

PURPOSE: to help advance a transformation to sustainability and no-deforestation in the palm oil sector in Indonesia

AMOUNT: \$250,000.00

DURATION: 4 months / Start date: December 2015

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to continue support for a small grants and mentoring program focused on emerging opportunities to secure the land and resource rights of indigenous peoples and rural communities

AMOUNT: \$111,607.00

DURATION: 3 months / Start date: January 2015

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to support a small grants and mentoring program focused on emerging opportunities to secure the land and resource rights of indigenous peoples and rural communities

AMOUNT: \$399,582.00

DURATION: 7 months / Start date: June 2014

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to advance community rights and encourage development of sustainable forest-based businesses within "Forest Management Units"

AMOUNT: \$210,000.00

DURATION: 12 months / Start date: March 2014

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to promote land use emission reductions in Indonesia through a small grants and mentoring program that builds community capacity to engage with government, industry and community forest management*

AMOUNT: \$187,500.00

DURATION: 3 months / Start date: February 2014

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to provide financial management capacity building to Sawit Watch

AMOUNT: \$20,000.00

DURATION: 12 months / Start date: December 2013

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to promote land use emission reductions in Indonesia through a small grants and mentoring program that builds community capacity to engage with government, industry and community forest management

AMOUNT: \$750,000.00

DURATION: 13 months / Start date: February 2013

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: for capacity building, public consultation and communications to support the implementation of the low carbon spatial plan in Papua

AMOUNT: \$249,544.00

DURATION: 13 months / Start date: January 2013

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to facilitate REDD activities in Indonesia through a small grants program aimed at enhancing community capacity and preparedness to evaluate, address, and, as appropriate, negotiate REDD-financed activities in traditional territories

AMOUNT: \$450,072.00

DURATION: 12 months / Start date: February 2012

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to provide technical and financial support to the Low Carbon Development Taskforce of the provincial government of Papua

AMOUNT: \$200,000.00

DURATION: 14 months / Start date: September 2011

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to develop an inclusive, participatory, spatial plan in Papua

AMOUNT: \$70,000.00

DURATION: 9 months / Start date: December 2010

Samdhana Institute Inc. – ClimateWorks Grant

PURPOSE: to facilitate REDD activities in Indonesia and support a small grants program aimed at enhancing community preparedness for negotiations for REDD-financed activities in traditional territories

AMOUNT: \$400,000.00

DURATION: 16 months / Start date: October 2010

Samdhana Institute Inc. – Ford Grant

PURPOSE: to support a small grants and mentoring program to increase community capacity and leadership to advocate for community rights to land and forest resources

AMOUNT: \$199,788.00

DURATION: 24 months / Start date: July 2011

Samdhana Institute Inc. – M.A. Cargill Grant

PURPOSE: to support local Papuan communities to strengthen forest management with secure tenure and strengthen a wider network of learning sites for community based forest management in Papua, building upon existing provincial land use plans and support low emissi

AMOUNT: \$400,000.00

DURATION: 18 months / Start date: March 2013

Sawit Watch (SW) – ClimateWorks Grant

PURPOSE: to limit the expansion of oil palm onto food-crop land by enabling village level planning, supporting markets for local food and informing local regulations to address food security

AMOUNT: \$150,000.00

DURATION: 19 months / Start date: November 2013

Sawit Watch (SW) – ClimateWorks Grant

PURPOSE: to develop a strategy for strengthening food security and sovereignty in Indonesia by limiting palm oil expansion

AMOUNT: \$76,962.00

DURATION: 6 months / Start date: November 2012

Scale Up – Ford Grant

PURPOSE: to accelerate the development of alternative dispute resolution skills, processes and institutions to resolve natural resource conflicts, as well as build a natural resource conflicts monitoring system

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: August 2013

Scale Up – Ford Grant

PURPOSE: to develop mechanisms and institutions to resolve forest/peatland related conflicts between communities, plantation companies (oil palm and pulp) and the Indonesian government in four provinces on Sumatra

AMOUNT: \$250,000.00

DURATION: 30 months / Start date: January 2011

Serai Kelola Alam (Sekala) – ClimateWorks Contract

PURPOSE: to conserve high conservation forest in the Malinau District of North Kalimantan through the collection and analysis of spatial data

AMOUNT: \$40,000.00

DURATION: 7 months / Start date: December 2015

Serai Kelola Alam (Sekala) – ClimateWorks Contract

PURPOSE: to provide technical assistance to Indonesia's REDD+ Agency and UKP4 for community mapping in the Malinau Watershed and developing proposed forest estate zones

AMOUNT: \$160,057.00

DURATION: 12 months / Start date: June 2014

Serai Kelola Alam (Sekala) – ClimateWorks Contract

PURPOSE: to produce an inventory of relevant databases on low emissions development and REDD

AMOUNT: \$38,113.00

DURATION: 4 months / Start date: February 2014

Serai Kelola Alam (Sekala) – ClimateWorks Contract

PURPOSE: to support national and local government efforts to establish a registry of land use licenses in Central Kalimantan and produce dynamic threat maps to help ensure peat lands and high-carbon forests are adequately protected in Central Kalimantan, East Kali

AMOUNT: \$175,001.00

DURATION: 15 months / Start date: October 2013

Serai Kelola Alam (Sekala) – ClimateWorks Contract

PURPOSE: to improve national and provincial institutions' ability to monitor deforestation and to develop and manage more rigorous social and geographic information systems

AMOUNT: \$349,698.00

DURATION: 16 months / Start date: September 2011

Serai Kelola Alam (Sekala) – ClimateWorks Contract

PURPOSE: to lay the foundation for establishing independent monitoring, verification, and reporting of forest cover change and REDD efforts in Indonesia

AMOUNT: \$249,550.00

DURATION: 12 months / Start date: May 2010

Serai Kelola Alam (Sekala) – Ford Grant

PURPOSE: to enhance information, knowledge and mapping capacity related to community forests in Indonesia and to help ensure that community rights over these forests are recognized by the government

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: September 2013

Serai Kelola Alam (Sekala) – Packard Grant

PURPOSE: to provide technical and stakeholder identification support to the Indonesian REDD+ Agency in its establishment of a forest and land fires information system

AMOUNT: \$44,517.00

DURATION: 3 months / Start date: November 2014

Serikat Petani Kelapa Sawit (SPKS) – ClimateWorks Grant

PURPOSE: to provide policy recommendations to the Jokowi Administration on the effects of the recent Plantation Act on deforestation and smallholder rights

AMOUNT: \$17,078.00

DURATION: 3 months / Start date: November 2014

Seventy Three – ClimateWorks Contract

PURPOSE: to improve the debate on land use, plantations, green growth and the role of smallholders in Indonesia's future development

AMOUNT: \$249,160.00

DURATION: 14 months / Start date: December 2013

Seventy Three – ClimateWorks Contract

PURPOSE: to consolidate and communicate research and experience documenting smallholder contributions to Indonesia's economy and prospects for green growth

AMOUNT: \$397,660.00

DURATION: 15 months / Start date: October 2012

Solidaridad – Packard Grant

PURPOSE: to design a pilot project to improve smallholder palm oil production in Indonesia while reducing smallholder conversion of forest and peat

AMOUNT: \$94,000.00

DURATION: 4 months / Start date: December 2014

Stichting AERA (Aidenvironment) – ClimateWorks Grant

PURPOSE: to reduce illegality, loss of state revenue, and carbon emissions associated with unsustainable plantation expansion in Indonesia

AMOUNT: \$246,225.00

DURATION: 16 months / Start date: June 2014

Stichting AERA (Aidenvironment) – ClimateWorks Grant

PURPOSE: to examine and communicate the public costs and challenge the legality of palm oil expansion in West and Central Kalimantan

AMOUNT: \$249,880.00

DURATION: 17 months / Start date: November 2011

Stichting Oxfam Novib – Ford Grant

PURPOSE: to scale up sustainable palm oil production and build improved models for smallholder production of oil palm to improve the sustainability of key internationally-traded commodities

AMOUNT: \$400,000.00

DURATION: 30 months / Start date: January 2012

Ulu Foundation – ClimateWorks Grant

PURPOSE: to launch a forest protection campaign in Indonesia and internationally leveraging anti-money laundering statutes and highlighting the financial flows of forest sector companies

AMOUNT: \$220,000.00

DURATION: 18 months / Start date: January 2013

Ulu Foundation – ClimateWorks Grant

PURPOSE: to support research, analysis and educational campaigns on the use of secrecy jurisdictions to hide the proceeds of illegal logging by Indonesian forestry sector companies

AMOUNT: \$80,000.00

DURATION: 12 months / Start date: October 2011

Ulu Foundation – Ford Grant

PURPOSE: to investigate international and national climate and forest finance in Indonesia to support community rights

AMOUNT: \$195,000.00

DURATION: 36 months / Start date: April 2012

University of Arizona Foundation – ClimateWorks Grant

PURPOSE: to strengthen capacity for resolving agrarian and natural resource management conflicts in Indonesia, primarily those related to forest management and plantations

AMOUNT: \$70,000.00

DURATION: 12 months / Start date: July 2015

University of Indonesia – ClimateWorks Contract

PURPOSE: to assess the Indonesia capacity building and advocacy work of the UK-based Forest Peoples Programme focusing on CLUA-supported activities carried out in 2010 and 2011

AMOUNT: \$22,756.00

DURATION: 3 months / Start date: April 2012

Urban and Regional Development Institute (URDI) – ClimateWorks Grant

PURPOSE: to ensure that the Indonesia INDC is supported by reliable and accurate data and can be implemented and monitored

AMOUNT: \$199,044.00

DURATION: 9 months / Start date: October 2015

Urban and Regional Development Institute (URDI) – ClimateWorks Grant

PURPOSE: to improve public policies in Indonesia by enhancing accessibility of data and analyses on climate change issues for policymakers

AMOUNT: \$110,825.00

DURATION: 7 months / Start date: December 2014

Wahana Bumi Hijau (WBH) – Ford Grant

PURPOSE: to help resolve forest tenure conflicts through alternative dispute resolution and government-approved community-based forest management programs

AMOUNT: \$200,000.00

DURATION: 30 months / Start date: March 2012

Wetlands International – ClimateWorks Grant

PURPOSE: to bring forward evidence on peatland subsidence to address the unsustainability of pulp and paper plantations on peatlands, limit their impact and prevent their expansion

AMOUNT: \$249,962.00

DURATION: 23 months / Start date: December 2013

Woods & Wayside International, Inc. (WWI) – ClimateWorks Grant

PURPOSE: for research and analysis on Indonesia's pulp and paper industry to support more equitable and sustainable development

AMOUNT: \$219,478.00

DURATION: 36 months / Start date: October 2011

Woods & Wayside International, Inc. (WWI) – Ford Grant

PURPOSE: to promote enhanced transparency and accountability within the pulp and paper and palm oil industries in Indonesia

AMOUNT: \$210,000.00

DURATION: 37 months / Start date: June 2011

World Resources Institute (WRI) – ClimateWorks Grant

PURPOSE: to train Indonesian partners (principally Sekala) on the implementation of a Near-Real time Change Detection (NRCD) rapid deforestation "alert system" designed to detect forest clearing across Indonesia at monthly intervals

AMOUNT: \$75,000.00

DURATION: 6 months / Start date: September 2011

World Resources Institute (WRI) – Ford Grant

PURPOSE: to strengthen the Indonesian Forest Area Monitoring Alliance

AMOUNT: \$250,000.00

DURATION: 36 months / Start date: January 2011

World Wildlife Fund (WWF) – ClimateWorks Grant

PURPOSE: to identify and influence major companies responsible for deforestation and peatland emissions associated with palm oil production

AMOUNT: \$200,445.00

DURATION: 17 months / Start date: March 2014

World Wildlife Fund (WWF) – M.A. Cargill Grant

PURPOSE: to support the conservation of forests in Papua, Indonesia through community-based management

AMOUNT: \$1,075,000.00

DURATION: 36 months / Start date: December 2012

Yayasan AURIGA Nusantara – ClimateWorks Grant

PURPOSE: to improve the capacity of civil society organizations to monitor and implement regulation of forest licensing and land use planning in Indonesia

AMOUNT: \$64,790.00

DURATION: 5 months / Start date: November 2014

Yayasan Institut Sumber Daya Dunia (WRI Indonesia) – ClimateWorks Grant

PURPOSE: to develop a 'peat mapping prize' competition

AMOUNT: \$100,000.00

DURATION: 7 months / Start date: October 2015

Yayasan Institute Deliverologi Indonesia (IDeA) – ClimateWorks Grant

PURPOSE: to develop recommendations for a renewable energy and biofuel policy in Indonesia that supports reduced GHG emissions and minimizes tenurial conflicts

AMOUNT: \$99,350.00

DURATION: 4 months / Start date: June 2015

Yayasan Mitra Insani (YMI) – ClimateWorks Grant

PURPOSE: to secure community rights and limit the expansion of agro-industry through community forest management licenses in Riau

AMOUNT: \$65,000.00

DURATION: 12 months / Start date: July 2014

Yayasan Solidaritas Perempuan Foundation – Ford Grant

PURPOSE: to support women's rights related to forest resources, oil palm and low carbon development.

AMOUNT: \$80,000.00

DURATION: 18 months / Start date: July 2012

Yayasan Wahana Lingkungan Hidup Indonesia (WALHI) – ClimateWorks Grant

PURPOSE: to synthesize and communicate recommendations from environmental NGOs to the new Government of Indonesia

AMOUNT: \$50,662.00

DURATION: 6 months / Start date: November 2014

Yayasan Wahana Lingkungan Hidup Indonesia (WALHI) – Ford Grant

PURPOSE: to reduce deforestation and natural resource conflicts caused by the expansion of palm oil and industrial timber plantations

AMOUNT: \$286,000.00

DURATION: 15 months / Start date: January 2014

Yayasan Wahana Lingkungan Hidup Indonesia (WALHI) – Ford Grant

PURPOSE: to support community-company conflict resolution in high carbon areas in Jambi, Riau and West Kalimantan to advance community rights

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: June 2012
