

# Climate and Land Use Alliance

## GLOBAL INITIATIVE

### GRANTS AND CONTRACTS LIST

#### ONGOING

**ActionAid USA – Ford Grant**

PURPOSE: to identify, develop, and promote policies that reduce negative impacts of agrocommodity production on food security, land use, and climate change

AMOUNT: \$264,600.00

DURATION: 13 months / Start date: July 2016

**ActionAid USA – Ford Grant**

PURPOSE: to identify, develop, and promote policies that mitigate the impact of biofuels production on food security, land use, and climate change

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: July 2015

**ActionAid USA – Packard Grant**

PURPOSE: to reduce the negative climate, food security, and land-use impacts of biofuels, with a focus on U.S. and international policy

AMOUNT: \$800,000.00

DURATION: 23 months / Start date: November 2015

**ActionAid USA – Packard Grant**

PURPOSE: to reduce the negative climate, food security, and land-use impacts of biofuels, with particular attention to the expanding use of ethanol

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: October 2014

**Association pour l'Amélioration de la Gouvernance de la Terre, de l'Eau et des Ressources Naturelles (AGTER) – Ford Grant**

PURPOSE: to promote the visibility of indigenous peoples and forests at the UNFCCC Paris COP

AMOUNT: \$174,825.00

DURATION: 6 months / Start date: November 2015

**Ateneo de Manila – Ford Grant**

PURPOSE: to develop a system of environmental and social safeguards as part of national and subnational REDD+ programs

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: March 2015

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to ensure the World Bank Group's finance supports positive actions to reduce deforestation and protect the rights of forest communities

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: April 2017

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to increase the World Bank Group's commitment to engaging constructively in the forest sector and to ensure the availability of more and better project-level finance to reduce deforestation and protect the rights of forest communities

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: April 2016

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to develop a forest sustainability screen to reduce the impact of investments by the International Finance Corporation and other lenders on forests and forest-dependent peoples

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: April 2015

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to ensure the World Bank develops adequate safeguards to protect people and forests

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: April 2014

**Better World Group – Packard Grant**

PURPOSE: to continue organizing a business-to-business collaborative effort to build corporate support for the West Coast Climate Campaign in Washington State

AMOUNT: \$100,000.00

DURATION: 6 months / Start date: August 2015

**Bipartisan Policy Center – Packard Grant**

PURPOSE: to establish a leadership council of agribusiness stakeholders to address climate change risks and opportunities

AMOUNT: \$125,000.00

DURATION: 3 months / Start date: April 2016

**Board of Trustees of the Leland Stanford Junior University – ClimateWorks Grant**

PURPOSE: to develop a policy analysis examining China's role and potential impact in promoting sustainability in major global commodity markets

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: July 2016

**Board of Trustees of the Leland Stanford Junior University – Packard Grant**

PURPOSE: to provide an understanding of how the sustainability of global commodity markets is relevant to China's interests and to suggest policy tools through which China might promote sustainability in those markets

AMOUNT: \$50,000.00

DURATION: 5 months / Start date: June 2016

**Burness Communications – ClimateWorks Contract**

PURPOSE: to increase media attention on deforestation-free commodities, forests, the role of indigenous peoples in the climate change agenda, and opportunities for effective climate finance in the forest sector

AMOUNT: \$196,075.00

DURATION: 12 months / Start date: April 2017

**Burness Communications – Ford Grant**

PURPOSE: to develop and implement a strategic communications plan and provide communications training and technical assistance to promote community forest rights as an effective climate change solution

AMOUNT: \$600,000.00

DURATION: 12 months / Start date: March 2017

**Burness Communications – Ford Grant**

PURPOSE: to promote community forest rights as an effective climate change solution through the development and implementation of strategic media planning, communications training and assistance

AMOUNT: \$550,000.00

DURATION: 12 months / Start date: March 2016

**Burness Communications – Ford Grant**

PURPOSE: to develop and implement a strategic media plan and provide communications training and technical advice to promote community forestry as an effective climate change solution

AMOUNT: \$600,000.00

DURATION: 12 months / Start date: February 2015

**Carnegie Institution of Washington – Packard Grant**

PURPOSE: to develop a community-based assessment of the prospects for biomass energy with carbon capture and storage (BECCS) to meet global climate mitigation goals

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: July 2016

**Center for International Environmental Law (CIEL) – Ford Grant**

PURPOSE: to strengthen enforcement and implementation of safeguards and legal standards protecting ecosystems, indigenous rights, and forest communities under international climate change agreements

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: March 2015

**Ceres – Packard Grant**

PURPOSE: to move major food and beverage companies to reduce greenhouse gas emissions and other environmental and social risks in their agricultural supply chains

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: January 2016

**Clark University – ClimateWorks Contract**

PURPOSE: to conduct an assessment of the impacts of extractive industries and infrastructure development on forests and forest peoples

AMOUNT: \$177,900.00

DURATION: 10 months / Start date: August 2016

**Clean Air Task Force, Inc. (CATF) – Packard Grant**

PURPOSE: to ensure high quality greenhouse gas accounting for biofuel and biomass feedstocks in the regulatory pathways governing their use

AMOUNT: \$440,000.00

DURATION: 24 months / Start date: October 2015

**Clean Air Task Force, Inc. (CATF) – Packard Grant**

PURPOSE: to conduct research and analysis of new technical and legal developments in biofuel and biomass feedstock development, greenhouse gas accounting, and regulatory pathways governing their use

AMOUNT: \$220,000.00

DURATION: 12 months / Start date: August 2014

**Climate Advisers – Packard Grant**

PURPOSE: to encourage major palm oil producers to make commitments to produce palm oil with no deforestation, peatland expansion, or exploitation

AMOUNT: \$250,000.00

DURATION: 9 months / Start date: February 2015

**Climate Focus – ClimateWorks Contract**

PURPOSE: to share findings on progress toward achievement of the commitments articulated in the New York Declaration on Forests.

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: February 2017

**Climate Focus – ClimateWorks Contract**

PURPOSE: to assess potential opportunities and challenges for reducing beef consumption globally.

AMOUNT: \$249,000.00

DURATION: 7 months / Start date: December 2016

**Climate Focus – ClimateWorks Contract**

PURPOSE: to clarify how various studies arrive at their GHG estimates for livestock, evaluate their strengths and limitations, and produce a more definitive percentage attribution to more effectively inform policy makers

AMOUNT: \$23,700.00

DURATION: 5 months / Start date: March 2015

**Climate Policy Initiative – Packard Grant**

PURPOSE: to encourage informed policy choices in Indonesia by building an empirical platform for future, in depth, qualitative and quantitative analysis concerning biofuels and related renewable energy policies

AMOUNT: \$50,000.00

DURATION: 2 months / Start date: September 2015

**Climate Solutions – Packard Grant**

PURPOSE: to continue building a strong coalition of public support for clean fuels standards in Oregon and Washington

AMOUNT: \$200,000.00

DURATION: 8 months / Start date: May 2015

**ClimateWorks Foundation (CWF) – Packard Grant**

PURPOSE: to ensure high environmental integrity in the global aviation sector’s mechanism to reduce greenhouse gas emissions, specifically related to the use of biofuels and offsets

AMOUNT: \$250,000.00

DURATION: 7 months / Start date: June 2016

**Consensus Building Institute (CBI) – ClimateWorks Contract**

PURPOSE: to map the organizations working on different agricultural commodities linked to deforestation, identify the initial lessons they are drawing from their work, and assess opportunities to promote cross-commodity lesson learning

AMOUNT: \$90,150.00

DURATION: 7 months / Start date: June 2016

**Conservation International – Packard Grant**

PURPOSE: to accelerate U.S. market conversion to sustainable palm oil and develop similar initiatives in emerging markets including Indonesia

AMOUNT: \$250,000.00

DURATION: 15 months / Start date: October 2014

**Coordinator of Indigenous Organizations of the Amazon River Basin (COICA) – Ford Grant**

PURPOSE: to support the Amazon Summit which provides a forum for international exchange among indigenous peoples from the Amazon and other regions on forest and territorial rights

AMOUNT: \$50,000.00

DURATION: 3 months / Start date: August 2016

**Coordinator of Indigenous Organizations of the Amazon River Basin (COICA) – Ford Grant**

PURPOSE: to provide indigenous peoples' organizations with capacity-building and advocacy tools that will enable their communities to secure territorial rights and reduce deforestation

AMOUNT: \$420,000.00

DURATION: 24 months / Start date: May 2014

**Dogwood Alliance – Packard Grant**

PURPOSE: to limit the expansion of a whole-tree biomass-power industry in the American South in favor of low-carbon energy alternatives

AMOUNT: \$500,000.00

DURATION: 23 months / Start date: November 2015

**Dogwood Alliance – Packard Grant**

PURPOSE: to limit the expansion of a whole-tree biomass-power industry in the American South in favor of low-carbon energy alternatives

AMOUNT: \$100,000.00

DURATION: 9 months / Start date: October 2014

**Donna Lee – ClimateWorks Contract**

PURPOSE: to analyze the differences between scientific studies and national reporting on GHG atmospheric flux for forests

AMOUNT: \$160,000.00

DURATION: 11 months / Start date: September 2016

**Earthsight – Ford Grant**

PURPOSE: to protect forest community rights by strengthening the capacity of civil society organizations to present evidence of illegal deforestation in community lands linked to global trade

AMOUNT: \$250,000.00

DURATION: 13 months / Start date: December 2016

**Earthsight – Ford Grant**

PURPOSE: to protect forests and community rights by enabling civil society, local communities, and youth networks in forest countries to provide evidence of illegal logging

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: July 2015

**Environmental Defense Fund (EDF) – Packard Grant**

PURPOSE: to continue an initiative to accelerate reductions in greenhouse gas emissions from commodity agriculture in the U.S. by leveraging large retailer commitments

AMOUNT: \$1,400,000.00

DURATION: 24 months / Start date: July 2016

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to combat illegal deforestation that enters the global wood trade

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: August 2016

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to provide support for lobbying activities related to implementation and funding for the Lacey Act (funded directly by ClimateWorks)

AMOUNT: \$40,000.00

DURATION: 8 months / Start date: April 2015

**Environmental Investigation Agency (EIA) – Ford Grant**

PURPOSE: to reduce illegal logging and expose illegal timber trafficking in order to stop deforestation and protect community rights in the Mekong region

AMOUNT: \$400,000.00

DURATION: 18 months / Start date: December 2014

**Fern Foundation – ClimateWorks Grant**

PURPOSE: to promote information sharing and collaboration among organizations working on deforestation and community rights

AMOUNT: \$100,000.00

DURATION: 16 months / Start date: July 2016

**Fern Foundation – Ford Grant**

PURPOSE: to achieve greater environmental and social justice, focusing on forests and forest peoples' rights in the policies and practices of the European Union, plus core support for institutional strengthening

AMOUNT: \$2,000,000.00

DURATION: 60 months / Start date: September 2016

**Fern Foundation – Ford Grant**

PURPOSE: to mitigate climate change and strengthen community rights in forest countries by addressing European Union policies and investments that drive deforestation

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: March 2015

**Fern Foundation – Packard Grant**

PURPOSE: to ensure the European Union has bioenergy policies based on sustainable supply and that encourage reductions in industrial emissions and sustainable land and forest management

AMOUNT: \$460,000.00

DURATION: 24 months / Start date: April 2016

**Fern Foundation – Packard Grant**

PURPOSE: to ensure the European Union has a bio-energy policy based on sustainable supply that encourages reductions in industrial emissions and sustainable land and forest management

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: February 2015

**Food and Environment Reporting Network – Packard Grant**

PURPOSE: to produce news stories regarding biofuel and palm oil production, with a preference for success-oriented, solutions-oriented approaches

AMOUNT: \$60,000.00

DURATION: 12 months / Start date: December 2015

**Forest Climate Analytics – ClimateWorks Contract**

PURPOSE: to complete an assessment of forest sector mitigation opportunities in four countries (Indonesia, Brazil, DRC, and Mexico) and an analysis of large-scale historic examples of national A/R efforts in three others (S.Korea, China, India).

AMOUNT: \$18,160.00

DURATION: 6 months / Start date: February 2017

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to ensure that global policies, intergovernmental and private sector initiatives, and finance for forest and climate protection address the drivers of tropical deforestation and enable increased recognition of forest peoples' rights

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: May 2017

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to increase recognition of forest peoples' rights in global policies, intergovernmental initiatives and finance in an effort to address the drivers of tropical deforestation

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: May 2015

**Forest Peoples Programme (FPP) – Ford Grant**

PURPOSE: to protect the rights of people who live in forests and depend on them for their livelihoods and to provide institutional strengthening for Forest Peoples Programme

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: October 2016

**Forest Stewardship Council International Center GmbH (FSC-IC) – ClimateWorks Grant**

PURPOSE: to develop a comprehensive framework for quantifying and tracking forest and supply chain climate benefits

AMOUNT: \$20,000.00

DURATION: 7 months / Start date: October 2016

**Friends of the Earth (FOE) US – Ford Grant**

PURPOSE: to engage financiers of key palm oil companies to encourage better business practices that reduce deforestation and protect community rights

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: July 2016

**Friends of the Earth (FOE) US – Ford Grant**

PURPOSE: to engage financiers of palm oil companies in efforts to reduce deforestation and land grabbing by plantation owners, improve global norms for palm oil production, and strengthen community resource rights

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: November 2015

**Friends of the Earth (FOE) US – Packard Grant**

PURPOSE: to promote the adoption of strong Environmental Social and Governance policies by institutions financing palm oil supply chains, in line with global best practices.

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: January 2016

**Friends of the Earth Europe – Packard Grant**

PURPOSE: to raise public awareness of the environmental and climate impacts of increased biofuels production

AMOUNT: \$51,000.00

DURATION: 12 months / Start date: October 2014

**Fundacion Asociacion Latinoamericana para el Desarrollo Alternativo (ALDEA) – Ford Grant**

PURPOSE: to build new leaders in community-based organizations in Asia, Latin America, and Africa by organizing exchange visits to different community forests and facilitating learning from these experiences

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: June 2016

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to convene the Supply Change Transparency Network (STN) and facilitate exchange and collaboration across organizations working to increase transparency in forest risk commodity supply chains

AMOUNT: \$100,000.00

DURATION: 14 months / Start date: April 2017

**Global Witness – Ford Grant**

PURPOSE: to support global efforts to address corruption, conflict, human rights violations, and environmental degradation linked to the exploitation of natural resources by strengthening institutional capacity

AMOUNT: \$2,000,000.00

DURATION: 60 months / Start date: October 2016

**Global Witness – Ford Grant**

PURPOSE: to prevent harm to forests and people and reduce carbon emissions from deforestation and forest degradation through the promotion of good governance and transparency in public policies and private investments

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: December 2015

**Green Century Capital Management, Inc. – Packard Grant**

PURPOSE: to effectively implement the no-deforestation, no-peat, no-exploitation agreements made by palm oil companies

AMOUNT: \$78,000.00

DURATION: 12 months / Start date: April 2016

**Green Century Fund – Packard Grant**

PURPOSE: to help stop palm-oil related deforestation, development on peat, and human exploitation by organizing investors around the world to support the needed policy agreements

AMOUNT: \$80,000.00

DURATION: 12 months / Start date: April 2017

**Greenpeace Fund, Inc. – ClimateWorks Grant**

PURPOSE: to support continued work on campaigns and commodity market pressure to end deforestation caused by palm oil expansion in Indonesia

AMOUNT: \$1,000,000.00

DURATION: 15 months / Start date: September 2013

**Greenpeace Fund, Inc. – Ford Grant**

PURPOSE: to create a multisensory virtual reality film to help place the way indigenous peoples protect forests and land at the center of Greenpeace's global environmental strategy

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: May 2016

**Greenpeace Fund, Inc. – Packard Grant**

PURPOSE: to end deforestation caused by palm oil expansion in Indonesia through campaigns and commodity market pressure

AMOUNT: \$1,000,000.00

DURATION: 24 months / Start date: January 2015

**Handcrafted Films – Ford Grant**

PURPOSE: to develop a series of short films giving voice to communities working on climate change issues and to showcase them in the international climate change policy process

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: March 2016

**Handcrafted Films – Ford Grant**

PURPOSE: to develop a series of short films giving voice to communities working on climate change issues and to showcase them as part of the international climate change policy process

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: June 2015

**If Not Us Then Who Films (INUTW) – Ford Grant**

PURPOSE: to develop a series of short films giving voice to communities working in isolation on climate change issues and showcase them as part of the international climate change policy process

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: March 2017

**Instituto Socioambiental (ISA) – Ford Grant**

PURPOSE: to develop research, advocacy, and communications' activities to raise public awareness on traditional peoples' territorial rights and its linkages with climate change

AMOUNT: \$350,000.00

DURATION: 22 months / Start date: March 2014

**International Council on Clean Transportation (ICCT) – Packard Grant**

PURPOSE: to inform bioenergy policy, both globally and in specific venues including the United States, Europe, and Indonesia, through research, analysis, and briefings

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: January 2016

**International Council on Clean Transportation (ICCT) – Packard Grant**

PURPOSE: to inform policies that impact markets for biofuels in the United States, Europe, and middle income and developing countries through research, analysis, and briefings

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: January 2015

**International Council on Clean Transportation (ICCT) – Packard Grant**

PURPOSE: to assess the potential supply of low-carbon fuels to the Pacific Coast market and their potential contribution toward greenhouse gas reductions

AMOUNT: \$48,000.00

DURATION: 3 months / Start date: November 2014

**International Institute for Environment and Development (IIED) – ClimateWorks Grant**

PURPOSE: to ensure forests are included in the discussion on the new post-2015 development agenda and emerging financing modalities

AMOUNT: \$250,000.00

DURATION: 14 months / Start date: November 2013

**International Labor Rights Forum – Packard Grant**

PURPOSE: to support obtaining concrete commitments from leading Indonesian and Malaysian palm oil growers that will address severe rights abuses on their plantations and serve as a model for industry reforms

AMOUNT: \$50,000.00

DURATION: 6 months / Start date: December 2016

**Jose Carlos Fernandez – ClimateWorks Contract**

PURPOSE: to assist the International Land and Forest Tenure Facility in strengthening its institutional design, governance structure, and operating capacity

AMOUNT: \$23,600.00

DURATION: 8 months / Start date: July 2016

**Mongabay Org Corporation – ClimateWorks Grant**

PURPOSE: to develop a long-term growth strategy to build Mongabay’s audience, influence, and impact

AMOUNT: \$80,000.00

DURATION: 12 months / Start date: June 2016

**National Wildlife Federation (NWF) – Packard Grant**

PURPOSE: to support work to make biofuels and bioenergy more sustainable and to advance conservation on America’s working lands in order to reduce emissions

AMOUNT: \$528,000.00

DURATION: 24 months / Start date: October 2016

**National Wildlife Federation (NWF) – Packard Grant**

PURPOSE: to make biofuels and biomass energy more sustainable and to promote conservation on America's working lands

AMOUNT: \$600,000.00

DURATION: 24 months / Start date: October 2014

**Natural Resources Defense Council (NRDC) – Packard Grant**

PURPOSE: to continue advancing a collection of strategies focused on sustainable bioenergy in the United States and Europe

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: July 2015

**Natural Resources Defense Council (NRDC) – Packard Grant**

PURPOSE: to analyze and communicate the land use and climate change effects of liquid biofuels and bioenergy.

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: August 2014

**Oregon Environmental Council (OEC) – Packard Grant**

PURPOSE: to support the legal defense and implementation of Oregon’s Clean Fuels Program

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: February 2016

**Partnership for Policy Integrity (PFPI) – Packard Grant**

PURPOSE: to continue work to characterize, quantify, and mitigate climate and other environmental impacts of bioenergy use in the U.S. and Europe, and to develop alternative roles for forests in addressing climate change

AMOUNT: \$240,000.00

DURATION: 24 months / Start date: October 2015

**Paulson Institute – Moore Grant**

PURPOSE: to enhance supply chain transparency and reduce ecosystem conversion associated with soy production in South America

AMOUNT: \$1,526,752.00

DURATION: 28 months / Start date: November 2014

**Pivot Point – Ford Grant**

PURPOSE: to develop options for delivering climate finance to community forestry and systems for monitoring performance

AMOUNT: \$278,000.00

DURATION: 30 months / Start date: July 2014

**Pivot Point – Packard Grant**

PURPOSE: to help catalyze action among stakeholders working on bioenergy sustainability through partner convening, strategic communication, development of research and campaigns, and advisory services

AMOUNT: \$250,000.00

DURATION: 25 months / Start date: November 2016

**Pivot Point – Packard Grant**

PURPOSE: to catalyze action among diverse stakeholders working on bioenergy sustainability through convening partners, strategic communication, development of joint research and campaigns, and advisory services

AMOUNT: \$240,000.00

DURATION: 24 months / Start date: November 2014

**Portland State University Foundation – Packard Grant**

PURPOSE: to track and analyze relevant indicators for the Oregon Clean Fuels Program, establishing pre-implementation baseline conditions and comparing them to post-implementation impacts

AMOUNT: \$50,000.00

DURATION: 14 months / Start date: February 2016

**Princeton University – Packard Grant**

PURPOSE: to support research, analysis, writing and communication regarding the greenhouse gas implications of bioenergy, the role of bioenergy in a sustainable energy future, and for associated work regarding global land use demands

AMOUNT: \$135,000.00

DURATION: 12 months / Start date: April 2017

**Princeton University – Packard Grant**

PURPOSE: to analyze and communicate the land use and climate change effects of bioenergy and more broadly those issues associated with the competition of bioenergy and other land use needs

AMOUNT: \$250,000.00

DURATION: 18 months / Start date: October 2015

**Princeton University – Packard Grant**

PURPOSE: to analyze and communicate the land use and climate change effects of liquid biofuels and bioenergy

AMOUNT: \$200,000.00

DURATION: 24 months / Start date: November 2013

**Purpose Campaigns, LLC – Ford Grant**

PURPOSE: to develop a digital campaign highlighting the role of indigenous peoples and local communities in protecting forests and mitigating climate change

AMOUNT: \$129,400.00

DURATION: 12 months / Start date: October 2016

**Rainforest Action Network (RAN) – Packard Grant**

PURPOSE: to strengthen the palm oil procurement policies of consumer brand companies that lack adequate transparency, traceability, and environmental and social safeguards.

AMOUNT: \$1,500,000.00

DURATION: 36 months / Start date: April 2017

**Rainforest Action Network (RAN) – Packard Grant**

PURPOSE: to ensure companies implement policy commitments to minimize the social, environmental, and climate impacts of global palm oil trading operations

AMOUNT: \$1,000,000.00

DURATION: 17 months / Start date: November 2015

**Rainforest Action Network (RAN) – Packard Grant**

PURPOSE: to minimize the social, environmental, and climate impacts of global palm oil trading operations

AMOUNT: \$1,300,000.00

DURATION: 24 months / Start date: September 2013

**Rainforest Alliance, Inc. – Moore Grant**

PURPOSE: to convene a global consortium of NGOs and corporate stakeholders to develop an accountability framework with guidelines for companies to use to implement and track progress towards commitments to eliminate deforestation and human exploitation from commod

AMOUNT: \$50,000.00

DURATION: 9 months / Start date: October 2016

**Rainforest Foundation Norway (RFN) – Ford Grant**

PURPOSE: to maintain public financial commitment to the Reduction of Emissions from Deforestation and Degradation (REDD) agreements to mitigate climate change

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: January 2017

**Rainforest Foundation Norway (RFN) – Ford Grant**

PURPOSE: to monitor the Norway-Indonesia and Norway-Peru REDD+ agreements and promote investment policies that avoid tropical deforestation

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: January 2016

**Regents of the University of Colorado, The – Moore Grant**

PURPOSE: to support the Governor's Climate and Forest Task Force

AMOUNT: \$938,077.00

DURATION: 18 months / Start date: November 2014

**Resource Media – Packard Grant**

PURPOSE: to provide strategic communications support for efforts to reduce greenhouse gas emissions from agriculture and biofuels, with a focus on clean fuel standards in the Pacific Northwest and agricultural supply chains

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: July 2016

**Rights and Resources Initiative (RRI) – Ford Grant**

PURPOSE: to promote global commitment and action toward policy, market, and legal reforms that secure local communities' and indigenous peoples' rights to own, control, and benefit from natural resources

AMOUNT: \$500,000.00

DURATION: 13 months / Start date: September 2016

**Rights and Resources Initiative (RRI) – Ford Grant**

PURPOSE: to support the participation of indigenous and community representatives in the governance and incubation of the International Land and Forest Tenure Facility

AMOUNT: \$200,000.00

DURATION: 7 months / Start date: September 2016

**Rights and Resources Initiative (RRI) – Ford Grant**

PURPOSE: to promote forest policy and market reforms to increase community ownership, control of, and benefits from forests and trees through research, communications, and advocacy

AMOUNT: \$500,000.00

DURATION: 12 months / Start date: March 2015

**Roundtable on Sustainable Biomaterials Association (RSB) – Packard Grant**

PURPOSE: to promote recognition of the Roundtable on Sustainable Biomaterials (RSB) standard and certification system as the primary global benchmark for sustainability of biofuels, biomass, and other biomaterials

AMOUNT: \$450,000.00

DURATION: 24 months / Start date: July 2015

**Royal Institute of International Affairs - Chatham House – Packard Grant**

PURPOSE: to analyze the impacts of the increasing use of wood for electricity and heat on climate and forests worldwide, and to inform related national and international policy negotiations

AMOUNT: \$100,000.00

DURATION: 16 months / Start date: September 2014

**RSB Transition Management Association (RSB TMA) – Packard Grant**

PURPOSE: to increase use of the Roundtable on Sustainable Biomaterials (RSB) standards and certification programs in both biofuels and biomaterials markets

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: August 2014

**Sierra Club – Packard Grant**

PURPOSE: for state level work to ensure high quality accounting for biomass in State Implementation Plans for the Clean Power Plan.

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: February 2017

**Stichting AERA (Aidenvironment) – Packard Grant**

PURPOSE: to investigate palm oil industry players and their sustainability risk profiles, and publish findings in financially actionable terms for a global audience

AMOUNT: \$800,700.00

DURATION: 18 months / Start date: April 2015

**Stichting BirdLife Europe – Packard Grant**

PURPOSE: for analysis and outreach in support of EU bioenergy policies that effectively contribute to climate mitigation, while minimizing adverse effects on the environment, biodiversity, and vulnerable human populations

AMOUNT: \$800,000.00

DURATION: 24 months / Start date: April 2014

**Stockholm Environmental Institute (SEI) – Moore Grant**

PURPOSE: to develop an open-access online platform that will map complex commodity supply chains with measurements of sustainability risks and actor performance

AMOUNT: \$1,000,000.00

DURATION: 26 months / Start date: November 2016

**SumOfUs – Packard Grant**

PURPOSE: to support a campaign to move large consumer brands to improve their palm-oil sourcing policies

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: September 2015

**SumOfUs – Packard Grant**

PURPOSE: to support a campaign to encourage large consumer brands to improve their palm oil sourcing

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: July 2014

**Taxpayers for Common Sense (TCS) – Packard Grant**

PURPOSE: to support work to eliminate subsidies for corn ethanol and environmentally harmful biofuels and forms of biomass

AMOUNT: \$100,000.00

DURATION: 24 months / Start date: June 2016

**Taxpayers for Common Sense (TCS) – Packard Grant**

PURPOSE: to contribute to public debate on bioenergy subsidies in the United States.

AMOUNT: \$100,000.00

DURATION: 24 months / Start date: May 2014

**Tebtebba Foundation, Inc. – ClimateWorks Grant**

PURPOSE: to support the development and implementation of indigenous and community monitoring and information systems

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: September 2016

**TFT - The Forest Trust – Packard Grant**

PURPOSE: to develop and share innovations for North American companies to source responsibly produced palm oil and convert a major portion of the industry to responsible purchasing

AMOUNT: \$228,000.00

DURATION: 18 months / Start date: July 2014

**The Nature Conservancy, Inc. (TNC) – ClimateWorks Grant**

PURPOSE: to support design and development of a prototype government bond for sustainable land use

AMOUNT: \$30,000.00

DURATION: 12 months / Start date: January 2017

**The Nature Conservancy, Inc. (TNC) – ClimateWorks Grant**

PURPOSE: to design and implement a strategic outreach and communications campaign intended to result in the adoption by the California Air Resources Board (CARB) of regulations that integrate a REDD+ component into California's AB 32 cap-and-trade program

AMOUNT: \$148,350.00

DURATION: 26 months / Start date: November 2012

**Tides – Packard Grant**

PURPOSE: to support SumOfUs to transform the palm oil industry through targeting the consumer-facing companies who buy vast amounts of oil

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: October 2016

**Union of Concerned Scientists (UCS) – Packard Grant**

PURPOSE: to create a sustainable path forward for low-carbon fuels in the U.S. at national and state levels.

AMOUNT: \$250,000.00

DURATION: 24 months / Start date: October 2015

**Union of Concerned Scientists (UCS) – Packard Grant**

PURPOSE: to examine oil use in California, Oregon, and Washington and identify strategies needed to meet a 50-percent oil reduction target by 2030

AMOUNT: \$50,000.00

DURATION: 3 months / Start date: June 2015

**Union of Concerned Scientists (UCS) – Packard Grant**

PURPOSE: to continue biofuels policy work in the U.S. at both federal and state levels, with a focus on California

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: September 2014

**University of California, Davis – Packard Grant**

PURPOSE: to help ensure that the Pacific Coast Action Plan on Climate and Energy jurisdictions have access to the best available science and research on climate and energy

AMOUNT: \$510,000.00

DURATION: 24 months / Start date: January 2017

**University of California, Davis – Packard Grant**

PURPOSE: to provide technical assistance, policy analysis, and scientific communications related to low-carbon fuel and carbon-pricing policies for key jurisdictions of the Pacific Coast Action Plan on Climate and Energy

AMOUNT: \$248,000.00

DURATION: 14 months / Start date: November 2015

**University of Minnesota – Moore Grant**

PURPOSE: to develop metrics and analytical tools that will be used to map and model environmental risks associated with key agricultural commodities that drive deforestation

AMOUNT: \$903,492.00

DURATION: 26 months / Start date: December 2014

**WildAid – Packard Grant**

PURPOSE: to increase awareness among China's 250-300 million middle class consumers of simple actions they can take to reduce energy consumption and greenhouse gas emissions

AMOUNT: \$500,000.00

DURATION: 18 months / Start date: June 2015

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: to develop and publish a report on administrative barriers to the formal recognition of indigenous and community land in tropical forest countries

AMOUNT: \$300,000.00

DURATION: 19 months / Start date: January 2017

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: to inform the design of climate policies and financing through the development of a report examining the mitigation potential of land use interventions

AMOUNT: \$149,576.00

DURATION: 7 months / Start date: December 2015

**World Resources Institute (WRI) – Moore Grant**

PURPOSE: to improve transparency and enable measurement of financial institutions' and companies' progress toward deforestation-free commodity commitments

AMOUNT: \$1,554,439.00

DURATION: 28 months / Start date: November 2014

**World Wildlife Fund (WWF) – Moore Grant**

PURPOSE: to move key financial institutions to make and implement commitments to eliminate deforestation and illegality within agriculture (and seafood) supply chains in their lending and investment portfolios

AMOUNT: \$7,994,616.00

DURATION: 25 months / Start date: March 2016

**World Wildlife Fund (WWF) – Moore Grant**

PURPOSE: to support a transition to deforestation free supply chains for key commodities through the implementation of the Consumer Goods Forum (CGF) commitments and engagement of relevant financial institutions

AMOUNT: \$900,000.00

DURATION: 32 months / Start date: December 2013

**Zoological Society of London (ZSL) – Packard Grant**

PURPOSE: to reduce deforestation and its associated greenhouse gas emissions in Indonesia by improving oil palm landscape management through better monitoring, reporting, verification and accountability

AMOUNT: \$997,000.00

DURATION: 12 months / Start date: February 2015

**Zoological Society of London (ZSL) – Packard Grant**

PURPOSE: to help transform the palm oil sector to a sustainable model via a transparency toolkit

AMOUNT: \$250,000.00

DURATION: 7 months / Start date: July 2014

## **CLOSED**

### **ActionAid USA – Ford Grant**

PURPOSE: to identify, develop, and promote policies that mitigate the impact of biofuels production and agricultural policy on food security, land use, and climate change In the Americas

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: July 2014

### **ActionAid USA – Ford Grant**

PURPOSE: research and advocacy on unsustainable biofuel production in the Americas and regulatory mechanisms to reduce its impacts on food security, land use and climate change

AMOUNT: \$500,000.00

DURATION: 25 months / Start date: July 2012

### **ActionAid USA – Packard Grant**

PURPOSE: to support a biofuels study connecting agriculture, climate change, and energy

AMOUNT: \$150,000.00

DURATION: 13 months / Start date: August 2012

### **Applied GeoSolutions – ClimateWorks Contract**

PURPOSE: to conduct a survey on existing methodologies for tracking changes in gross deforestation and forest degradation, and associated carbon emissions, for Indonesia, Mexico, and Central America

AMOUNT: \$20,964.00

DURATION: 2 months / Start date: June 2012

### **Association for Nature and Sustainable Development (ANDES) – Ford Grant**

PURPOSE: to synthesize and disseminate information on indigenous peoples' responses to climate change through the Indigenous Peoples Climate Change Assessment

AMOUNT: \$250,000.00

DURATION: 27 months / Start date: April 2012

### **Association for Nature and Sustainable Development (ANDES) – Ford Grant**

PURPOSE: to increase attention to indigenous understandings of climate change and mitigation strategies

AMOUNT: \$150,000.00

DURATION: 15 months / Start date: September 2010

### **Ateneo de Manila – Ford Grant**

PURPOSE: For the School of Government to help develop a system of environmental and social safeguards as part of national and subnational Reduction in Emissions from Deforestation and Degradation programs

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: March 2014

**Ateneo de Manila – Ford Grant**

PURPOSE: for the School of Government to convene the international climate change Safeguards Working Group on Reduced Emissions from Deforestation and forest Degradation (REDD-SWG)

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: March 2013

**Ateneo de Manila – Ford Grant**

PURPOSE: for the School of Government to implement a REDD+ safeguards information system program for southern civil society organizations and negotiators

AMOUNT: \$200,000.00

DURATION: 14 months / Start date: January 2012

**Avoided Deforestation Partners (ADP) – ClimateWorks Grant**

PURPOSE: to support Avoided Deforestation Partners' efforts to build support for forest conservation and US finance for REDD+

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: May 2011

**Avoided Deforestation Partners (ADP) – ClimateWorks Grant**

PURPOSE: to help strengthen U.S. efforts to assist developing nations through emerging climate and energy policies, and through near-term financing for international forest conservation

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: August 2010

**Avoided Deforestation Partners (ADP) – Moore Grant**

PURPOSE: to increase awareness and understanding of climate-forest initiatives that protect tropical forests are understood at the United Nations Framework Convention on Climate Change 17th Conference of the Parties

AMOUNT: \$174,064.00

DURATION: 9 months / Start date: July 2011

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to ensure that multilateral REDD+ finance complies with relevant safeguards, and to promote the rights and effective participation of forest-dependent communities in its planning and implementation

AMOUNT: \$100,000.00

DURATION: 3 months / Start date: January 2014

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to ensure that multilateral REDD+ finance complies with relevant safeguards, and to promote the rights and effective participation of forest-dependent communities in its planning and implementation

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: January 2013

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to contribute to the effective design and implementation of multilateral REDD+ initiatives by ensuring meaningful participation of forest-dependent communities and sound environmental and social due diligence

AMOUNT: \$350,000.00

DURATION: 12 months / Start date: January 2012

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: to strengthen safeguards, accountability, and informed civil society engagement in multilateral REDD initiatives

AMOUNT: \$350,000.00

DURATION: 13 months / Start date: February 2011

**Bank Information Center (BIC) – ClimateWorks Grant**

PURPOSE: for support in strengthening transparency and informed engagement in International Financial Institution REDD initiatives

AMOUNT: \$321,750.00

DURATION: 12 months / Start date: January 2010

**Bank Information Center (BIC) – Moore Grant**

PURPOSE: to support the final year of BIC's campaign to strengthen the requirements contained in the World Bank's Environmental Assessment safeguard policy

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: February 2014

**Burness Communications – ClimateWorks Contract**

PURPOSE: to increase media attention on deforestation-free commodities, forests, the role of indigenous peoples in the climate change agenda, and opportunities for effective climate finance in the forest sector

AMOUNT: \$223,225.00

DURATION: 12 months / Start date: March 2016

**Burness Communications – ClimateWorks Contract**

PURPOSE: to increase media attention on deforestation-free commodities, forests, the role of indigenous peoples in the climate change agenda, and opportunities for effective climate finance in the forest sector, with particular focus on media events leading up to

AMOUNT: \$260,000.00

DURATION: 12 months / Start date: March 2015

**Burness Communications – ClimateWorks Contract**

PURPOSE: to increase the profile of forest and land use issues in the international media, specifically promoting policy change to eliminate deforestation and conflict from commodity production, and increase international finance to reduce emissions from land

AMOUNT: \$250,000.00

DURATION: 14 months / Start date: November 2013

**Burness Communications – Ford Contract**

PURPOSE: to build communications capacity and increase the impact of local and indigenous communities on global climate change policies and programs

AMOUNT: \$300,000.00

DURATION: 11 months / Start date: March 2014

PURPOSE: to analyze the international opportunities for agricultural greenhouse gas (GHG) mitigation and the potential role for philanthropy

AMOUNT: \$250,000.00

DURATION: 13 months / Start date: March 2013

**California Strategies – ClimateWorks Contract**

PURPOSE: to work with stakeholders to ensure California continues its leadership on REDD+

AMOUNT: \$84,740.00

DURATION: 7 months / Start date: August 2011

**California Strategies – ClimateWorks Contract**

PURPOSE: to work with stakeholders to ensure California continues its leadership on REDD+ by incorporating related provisions into its cap and trade program and to assist Governor Climate and Forest Task Force states with their REDD+ programs so they are coordinated

AMOUNT: \$143,500.00

DURATION: 13 months / Start date: July 2010

**Center for International Environmental Law (CIEL) – ClimateWorks Grant**

PURPOSE: for general support

AMOUNT: \$35,000.00

DURATION: 6 months / Start date: April 2012

**Center for International Environmental Law (CIEL) – ClimateWorks Grant**

PURPOSE: for support to ensure that indigenous peoples' and local communities' rights are secured and interests are served in the emerging international framework for forest conservation

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: February 2010

**Center for International Environmental Law (CIEL) – Ford Grant**

PURPOSE: to strengthen implementation and enforcement of safeguards and legal standards to protect forests and community rights

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: March 2014

**Center for International Environmental Law (CIEL) – Ford Grant**

PURPOSE: to ensure the laws and standards to protect the rights of affected communities and avoid illegal deforestation are strong and well-enforced, resulting in better forest governance and reduced emissions in forest-rich countries

AMOUNT: \$230,000.00

DURATION: 12 months / Start date: March 2013

**Center for International Environmental Law (CIEL) – Ford Grant**

PURPOSE: to ensure social and environmental safeguards and protect the interests of indigenous peoples in the development & implementation of REDD

AMOUNT: \$220,000.00

DURATION: 12 months / Start date: March 2012

**Center for International Environmental Law (CIEL) – Ford Grant**

PURPOSE: to help safeguard communities and ecosystems while serving the interests of indigenous peoples in the development and implementation of REDD

AMOUNT: \$220,000.00

DURATION: 12 months / Start date: February 2011

**Center for International Forestry Research (CIFOR) – ClimateWorks Grant**

PURPOSE: to support Forest Day at COP17 in Durban, South Africa

AMOUNT: \$20,000.00

DURATION: 1 months / Start date: December 2011

**Center for International Forestry Research (CIFOR) – ClimateWorks Grant**

PURPOSE: for support of two Forest Day Learning Events alongside COP16 in Cancun, Mexico

AMOUNT: \$80,000.00

DURATION: 12 months / Start date: November 2010

**Centro de Estudios Jurídicos e Investigación Social (CEJIS) – Ford Grant**

PURPOSE: for indigenous peoples' territorial forest governance and their engagement with global climate change negotiations

AMOUNT: \$250,000.00

DURATION: 19 months / Start date: January 2014

PURPOSE: to encourage major food and beverage companies to reduce greenhouse gas emissions in their supply chains

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: December 2014

**Ceres – Packard Grant**

PURPOSE: to encourage major consumer-brand companies to commit to sourcing Certified Sustainable Palm Oil (CSPO)

AMOUNT: \$50,000.00

DURATION: 12 months / Start date: November 2013

**Clean Air Task Force, Inc. (CATF) – Packard Grant**

PURPOSE: research and analysis related to important developments in biofuel-related science and policy

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: August 2012

**ClientEarth – ClimateWorks Grant**

PURPOSE: to support implementation of the European Union Timber Regulation through the provision of legal and policy services to EU institutions and member states

AMOUNT: \$150,000.00

DURATION: 18 months / Start date: January 2012

**ClientEarth – ClimateWorks Grant**

PURPOSE: to support the provision of legal and policy services to EU institutions and member states through the first year of implementing the European Union Timber Regulation

AMOUNT: \$150,000.00

DURATION: 17 months / Start date: January 2011

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to contribute to the development a study analyzing the differences between GHG atmospheric flux and country reporting for forests

AMOUNT: \$25,000.00

DURATION: 3 months / Start date: December 2015

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to promote enhanced financing for forest conservation in advance of the United Nations Framework Convention on Climate Change (UNFCCC) Conference of Parties (COP) in Paris.

AMOUNT: \$200,000.00

DURATION: 5 months / Start date: August 2015

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to contribute to a shared vision on how to structure and implement a "Solutions Agenda" to accelerate progress in and around COP21, including forest-related and other enabling initiatives

AMOUNT: \$145,000.00

DURATION: 3 months / Start date: December 2014

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to prepare a white paper focusing on significant developments of major private sector commitments on deforestation and human rights to be released as part of the New York's September "Climate Week" alongside the UN Secretary General's Climate Summit

AMOUNT: \$74,300.00

DURATION: 2 months / Start date: August 2014

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support a World Economic Forum Global Agenda Council on Deforestation to identify meaningful targets for sustainable supply chain management in four key commodity supply chains (beef, soy, palm oil, paper and pulp)

AMOUNT: \$185,675.00

DURATION: 12 months / Start date: July 2014

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to assess opportunities and risks for promoting sustainable palm oil supply chains in China

AMOUNT: \$50,000.00

DURATION: 4 months / Start date: June 2014

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to advise and assist on content and events related to the UN Secretary General's Climate Summit in September 2014

AMOUNT: \$101,000.00

DURATION: 7 months / Start date: March 2014

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to carry out an analysis, outreach, and advocacy program to advance consensus goals and targets that formally integrate forest conservation and sustainable land-use into the post-2015 development agenda, while maintaining emphasis on poverty alleviation a

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: January 2014

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support the development of a high-level workshop on public-private partnerships to address deforestation and climate change at the Davos World Economic Forum in January 2014

AMOUNT: \$50,000.00

DURATION: 4 months / Start date: October 2013

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to maximize the impact of a policy brief advocating strong U.S. leadership in support of the Tropical Forest Alliance (TFA)

AMOUNT: \$24,000.00

DURATION: 2 months / Start date: May 2013

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to produce policy brief highlighting the Tropical Forest Alliance (TFA) and the case for strong US leadership with the private sector on eliminating deforestation from commodity production

AMOUNT: \$25,000.00

DURATION: 2 months / Start date: March 2013

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support analysis, outreach, and advocacy related to the implementation of the Millennium Challenge Corporation (MCC) Compact with Indonesia and tracking U.S. REDD+ finance, and to scope the WTO compatibility of potential carbon tax border measures

AMOUNT: \$210,000.00

DURATION: 12 months / Start date: January 2013

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support a campaign to remove deforestation, peatland conversion, and rural violence from palm oil production (co-funded with Packard Foundation)

AMOUNT: \$25,000.00

DURATION: 7 months / Start date: December 2012

**Climate Advisers – ClimateWorks Contract**

PURPOSE: analysis, outreach, and advocacy related to USG funding of international climate and land use efforts, focused primarily on MCC Compact with Indonesia

AMOUNT: \$300,000.00

DURATION: 10 months / Start date: March 2012

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support CLUA's efforts to strengthen existing U.S. REDD+ diplomacy and programs, and build up structures and mechanisms to enhance US support for international forest conservation

AMOUNT: \$95,000.00

DURATION: 2 months / Start date: January 2012

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support CLUA's efforts to strengthen existing U.S. REDD+ diplomacy and programs, and build up structures and mechanisms to enhance US support for international forest conservation

AMOUNT: \$475,000.00

DURATION: 10 months / Start date: March 2011

**Climate Advisers – ClimateWorks Contract**

PURPOSE: to support analysis and outreach to strengthen US federal policies and programs in support of reducing emission from deforestation and forest degradation (REDD+)

AMOUNT: \$472,000.00

DURATION: 10 months / Start date: May 2010

**Climate Advisers – Moore Grant**

PURPOSE: to support a consortium of civil society stakeholders to effectively engage with the Tropical Forest Alliance 2020 that aims to reduce deforestation through sustainable supply chains

AMOUNT: \$115,000.00

DURATION: 7 months / Start date: July 2013

**Climate Advisers – Moore Grant**

PURPOSE: to support a consortium of civil society stakeholders to effectively engage with the US Government and Consumer Goods Forum public private alliance that aims to reduce deforestation through sustainable supply chains

AMOUNT: \$185,850.00

DURATION: 11 months / Start date: September 2012

**Climate Advisers – Packard Grant**

PURPOSE: to encourage major palm oil traders to make commitments to sourcing palm oil produced without deforestation, peatland expansion, or exploitation

AMOUNT: \$250,000.00

DURATION: 9 months / Start date: April 2014

**Climate Advisers – Packard Grant**

PURPOSE: for a communications campaign coordinated with rapid-response research on deforestation, peatland, and rural violence-free policies in the palm oil industry

AMOUNT: \$75,000.00

DURATION: 4 months / Start date: February 2013

**Climate Advisers – Packard Grant**

PURPOSE: to work with the Center for International Environmental Law to secure a favorable decision by EPA to not include palm oil in the Renewable Fuel Standard

AMOUNT: \$71,650.00

DURATION: 7 months / Start date: November 2012

**Climate Focus – ClimateWorks Contract**

PURPOSE: to share findings on progress toward achievement of the commitments articulated in the New York Declaration on Forests in a manner that helps advance the implementation of these commitments

AMOUNT: \$220,000.00

DURATION: 9 months / Start date: April 2016

**Climate Focus – ClimateWorks Contract**

PURPOSE: to develop a work plan to monitor progress toward achievement of the goals articulated in the New York Declaration on Forests (NYDF) from 2016-2020

AMOUNT: \$23,000.00

DURATION: 3 months / Start date: December 2015

**Climate Focus – ClimateWorks Contract**

PURPOSE: to develop an approach and share initial findings on progress toward achievement of the goals articulated in the New York Declaration on Forests

AMOUNT: \$212,640.00

DURATION: 7 months / Start date: July 2015

**Climate Focus – ClimateWorks Contract**

PURPOSE: to provide land use sector analysis, with particular attention toward LULUCF, agriculture and REDD+, to be used by UNFCCC negotiators in their development of a post-2020 climate agreement

AMOUNT: \$43,200.00

DURATION: 8 months / Start date: November 2014

**Climate Focus – ClimateWorks Contract**

PURPOSE: to help strengthen and streamline REDD+ safeguards by facilitating a best practice exchange among donor governments, identifying synergies, challenges and providing analytical support

AMOUNT: \$193,000.00

DURATION: 12 months / Start date: May 2013

**Climate Focus – ClimateWorks Contract**

PURPOSE: to analyze the international opportunities for agricultural greenhouse gas (GHG) mitigation and the potential role for philanthropy

AMOUNT: \$250,000.00

DURATION: 13 months / Start date: March 2013

**Climate Focus – ClimateWorks Contract**

PURPOSE: to develop a paper explaining Germany's REDD+ finance instruments with the objective of identifying opportunities to collaborate and coordinate funding and strategy

AMOUNT: \$18,740.00

DURATION: 2 months / Start date: December 2012

**Climate Focus – ClimateWorks Contract**

PURPOSE: to provide and disseminate a comparative analysis of the key design elements utilized across the range of current REDD+ initiatives, including multilateral, national, sub-national, and private sector efforts

AMOUNT: \$150,000.00

DURATION: 14 months / Start date: March 2012

**Climate Focus – ClimateWorks Contract**

PURPOSE: to advise and supervise the implementation of CLUA strategy to ensure effective implementation of international and EU forest and agriculture commitments

AMOUNT: \$107,000.00

DURATION: 10 months / Start date: May 2011

**Climate Focus – ClimateWorks Contract**

PURPOSE: to advise and supervise the implementation of CLUA strategy to ensure effective implementation of EU forest and agriculture commitments

AMOUNT: \$182,000.00

DURATION: 13 months / Start date: May 2010

**Climate Focus – Moore Grant**

PURPOSE: to develop new sub-national partnerships with demand side jurisdictions in support of reducing deforestation and increasing investment in low carbon sustainable development

AMOUNT: \$244,500.00

DURATION: 19 months / Start date: November 2012

**Climate Focus – Moore Grant**

PURPOSE: to scope opportunities for early action by subnational entities in support of REDD+ and the Governors' Climate and Forest Task Force

AMOUNT: \$184,900.00

DURATION: 7 months / Start date: October 2011

**Climate Justice Programme (CJB) – Ford Grant**

PURPOSE: advocacy to support REDD+ governance and monitor safeguard systems

AMOUNT: \$250,000.00

DURATION: 27 months / Start date: December 2011

**Climate Policy Initiative – ClimateWorks Contract**

PURPOSE: to identify opportunities for philanthropy to engage on finance in the land use management sector

AMOUNT: \$50,000.00

DURATION: 4 months / Start date: December 2015

**Climate Solutions – Packard Grant**

PURPOSE: to build a strong coalition of public support for clean fuels standards in Oregon and Washington

AMOUNT: \$100,000.00

DURATION: 6 months / Start date: December 2014

**Coalition for Rainforest Nations (CfRN) – ClimateWorks Grant**

PURPOSE: to support a project to reduce emissions from deforestation and degradation in developing countries

AMOUNT: \$870,000.00

DURATION: 12 months / Start date: July 2010

**Community Forestry International, Inc. (CFI) – Ford Grant**

PURPOSE: for the Asia REDD Working Group to demonstrate the effectiveness and viability of community-based approaches to REDD

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: September 2012

**Community Forestry International, Inc. (CFI) – Ford Grant**

PURPOSE: supports the Asia REDD Working Group's efforts to demonstrate the effectiveness and viability of community-based approaches to REDD in six Asian nations

AMOUNT: \$300,000.00

DURATION: 18 months / Start date: March 2011

**Community Forestry International, Inc. (CFI) – Ford Grant**

PURPOSE: for general support

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: July 2010

**Conservation International – Packard Grant**

PURPOSE: to accelerate market conversion to sustainable palm oil

AMOUNT: \$185,500.00

DURATION: 9 months / Start date: November 2013

**Context Partners – Packard Grant**

PURPOSE: to support development of a prize competition for mapping peatland and to facilitate use of prizes for mitigating climate

AMOUNT: \$204,600.00

DURATION: 6 months / Start date: January 2015

**Cooperative for Assistance and Relief Everywhere Inc. (CARE) – Ford Grant**

PURPOSE: to promote a higher level of social & environmental standards performance from REDD programs

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: March 2012

**Donna Lee – ClimateWorks Contract**

PURPOSE: to develop a study analyzing the differences between GHG atmospheric flux and country reporting for forests

AMOUNT: \$121,000.00

DURATION: 6 months / Start date: December 2015

**Donna Lee – ClimateWorks Contract**

PURPOSE: to develop an analysis on the impact of international REDD+ finance on developing countries

AMOUNT: \$200,000.00

DURATION: 8 months / Start date: February 2015

**Donna Lee – ClimateWorks Contract**

PURPOSE: to help facilitate collaboration and inform policy-making on international forest issues by government agencies in Germany, the United Kingdom and Norway

AMOUNT: \$106,000.00

DURATION: 12 months / Start date: January 2015

**Donna Lee – ClimateWorks Contract**

PURPOSE: to help facilitate collaboration and inform policy-making on international forest issues by government agencies in Germany, the United Kingdom and Norway

AMOUNT: \$52,000.00

DURATION: 5 months / Start date: May 2014

**Donna Lee – ClimateWorks Contract**

PURPOSE: to support coordination amongst key donors on forests and climate change, and a partnership between companies, governments and civil society to reduce deforestation through promotion of sustainable, deforestation-free supply chains

AMOUNT: \$153,000.00

DURATION: 23 months / Start date: December 2012

**Donna Lee – ClimateWorks Contract**

PURPOSE: for continued work with a new private/public partnership to reduce deforestation through sustainable supply chains

AMOUNT: \$25,000.00

DURATION: 8 months / Start date: November 2012

**Donna Lee – ClimateWorks Contract**

PURPOSE: to support a new private/public partnership to reduce deforestation through sustainable supply chains

AMOUNT: \$25,000.00

DURATION: 5 months / Start date: July 2012

**Earth Innovation Institute (formerly IPAM International Program) – ClimateWorks Grant**

PURPOSE: for advocacy and communications to promote jurisdictional REDD+ within California's AB 32 climate policy

AMOUNT: \$100,000.00

DURATION: 15 months / Start date: May 2013

**Environmental Defense Fund (EDF) – Ford Grant**

PURPOSE: to develop infographics and other communications materials that communicate how much carbon indigenous peoples and communities are managing in their territories in the major forest regions

AMOUNT: \$77,500.00

DURATION: 4 months / Start date: September 2015

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to combat illegal deforestation that enters the global wood trade

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: June 2015

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to reduce greenhouse gas emissions by transforming the global wood trade and combating illegal deforestation through leveraging new consumer country laws and supporting civil society engagement

AMOUNT: \$200,000.00

DURATION: 15 months / Start date: June 2014

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to leverage the U.S. Lacey Act, trade policy tools and REDD+ to transform the global wood trade and combat illegal deforestation

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: November 2012

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to maintain US leadership on combating illegal logging

AMOUNT: \$229,275.00

DURATION: 9 months / Start date: March 2012

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to support lobbying activities to maintain US leadership on combating illegal logging

AMOUNT: \$20,750.00

DURATION: 8 months / Start date: March 2012

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to reduce illegal logging through trade-related policy instruments including the Lacey Act

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: November 2011

**Environmental Investigation Agency (EIA) – ClimateWorks Grant**

PURPOSE: to transform the global wood trade through leveraging international policy tools such as REDD, the U.S. Lacey Act, and the new European Union Timber Regulation

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: November 2010

**Fern Foundation – Ford Grant**

PURPOSE: for research, dissemination and advocacy on mitigating climate change by addressing the EU policies and investments that drive deforestation and supporting actions that respect forest community rights

AMOUNT: \$810,000.00

DURATION: 24 months / Start date: March 2013

**Fern Foundation – Ford Grant**

PURPOSE: to support European engagement on REDD in relation to forest governance and forest community rights

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: July 2011

**Fern Foundation – Ford Grant**

PURPOSE: to support work on European engagement on REDD in relation to forest governance

AMOUNT: \$128,500.00

DURATION: 13 months / Start date: May 2010

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to increase recognition of forest peoples' rights in global policies, intergovernmental initiatives, and finance, in an effort to address the drivers of tropical deforestation

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: May 2016

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to promote strong frameworks aimed at respecting and protecting indigenous peoples' and communities' rights in the post -2015 UNFCCC agreement, European imports and trade in agricultural commodities and other “forest risk” products linked to deforestation

AMOUNT: \$240,000.00

DURATION: 12 months / Start date: May 2014

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to secure the land and resource rights of forest peoples and ensure the adoption and implementation of social and environmental standards

AMOUNT: \$180,000.00

DURATION: 12 months / Start date: April 2013

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to achieve upward harmonization of international and national REDD+ standards

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: April 2012

**Forest Peoples Programme (FPP) – ClimateWorks Grant**

PURPOSE: to achieve upward harmonization of international and national REDD+ standards and other provisions of the UN Declaration on the Rights of Indigenous People

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: March 2011

**Forest Trends Association – ClimateWorks Grant**

PURPOSE: to increase communications outreach and dissemination of a Forest Trends report on illegal forest clearance for commercial agriculture

AMOUNT: \$28,500.00

DURATION: 5 months / Start date: September 2014

**Forest Trends Association – ClimateWorks Grant**

PURPOSE: to develop, produce, and disseminate a new Ecosystem Marketplace branded report on corporate commitments to low “forest footprint” commodities focused on palm oil, cattle, paper, and soy

AMOUNT: \$245,000.00

DURATION: 13 months / Start date: January 2014

**Forest Trends Association – Moore Grant**

PURPOSE: to facilitate dialogue and cultivate novel partnerships to implement financial, policy and technical solutions to reduce deforestation and degradation from beef and soy production

AMOUNT: \$329,123.00

DURATION: 11 months / Start date: September 2013

**Forest Trends Association – Moore Grant**

PURPOSE: to advance REDD+ and forest carbon policy dialogue, both at the UNFCCC and the national-level, and to promote the potential for subnational project activities to deliver emissions reductions and secure financing within emerging regulatory frameworks

AMOUNT: \$484,818.00

DURATION: 20 months / Start date: July 2010

**Friends of the Earth (FOE) US – Ford Grant**

PURPOSE: to engage financiers of palm oil companies in efforts to reduce deforestation and land grabbing by plantation owners, improve global norms for palm oil production, and strengthen community resource rights

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: November 2014

**Friends of the Earth (FOE) US – Ford Grant**

PURPOSE: to engage palm oil financiers to reduce deforestation, improve global norms to reduce land grabbing, and strengthen community resource rights

AMOUNT: \$400,000.00

DURATION: 18 months / Start date: May 2013

**Friends of the Earth (FOE) US – Ford Grant**

PURPOSE: to support engagement on REDD+ and climate finance, including assistance to the Accra Caucus

AMOUNT: \$150,000.00

DURATION: 13 months / Start date: April 2010

**Friends of the Earth (FOE) US – Packard Grant**

PURPOSE: to advance the sustainability of biofuels and reduce incentives for non-sustainable biofuels

AMOUNT: \$200,000.00

DURATION: 22 months / Start date: March 2012

**Friends of the Earth Europe – Packard Grant**

PURPOSE: to raise public awareness of the environmental and climate impacts of increased biofuels production

AMOUNT: \$90,000.00

DURATION: 13 months / Start date: August 2012

**Germanwatch e.V. – ClimateWorks Grant**

PURPOSE: to promote support for REDD+ financing by Germany

AMOUNT: \$115,233.00

DURATION: 13 months / Start date: July 2011

**Germanwatch e.V. – ClimateWorks Grant**

PURPOSE: to support Fast Start international climate financing project in Germany

AMOUNT: \$85,000.00

DURATION: 12 months / Start date: July 2010

**Glenn Hurowitz – ClimateWorks Contract**

PURPOSE: to assess opportunities to reduce emissions associated with the expansion of palm oil

AMOUNT: \$123,820.00

DURATION: 6 months / Start date: June 2012

**Glenn Hurowitz – ClimateWorks Contract**

PURPOSE: to support a global assessment examining opportunities to reduce palm-oil driven deforestation

AMOUNT: \$105,000.00

DURATION: 6 months / Start date: December 2011

**Glenn Hurowitz – ClimateWorks Contract**

PURPOSE: to support research and outreach to develop zero-deforestation supply chains within the vegetable oil industry

AMOUNT: \$30,000.00

DURATION: 6 months / Start date: September 2011

**Glenn Hurowitz – ClimateWorks Contract**

PURPOSE: to build support for U.S. and international policies and financing for tropical forest protection and to develop a campaign with the Girl Scouts to convince major palm oil users to take steps to reduce the deforestation caused by their products

AMOUNT: \$100,000.00

DURATION: 6 months / Start date: April 2011

**Glenn Hurowitz – ClimateWorks Contract**

PURPOSE: to coordinate the Tropical Forest and Climate Coalition, and support the CLUA U.S. initiative by working independently and in coordination with Nigel Purvis

AMOUNT: \$81,600.00

DURATION: 6 months / Start date: October 2010

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to facilitate exchange and collaboration across initiatives working to increase transparency in forest risk commodity supply chains

AMOUNT: \$67,250.00

DURATION: 8 months / Start date: May 2016

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to support the launch of the Forest 500 platform through communications and media outreach

AMOUNT: \$38,201.00

DURATION: 3 months / Start date: December 2014

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to support the REDD Desk

AMOUNT: \$100,000.00

DURATION: 10 months / Start date: October 2011

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to support the Forest Footprint Disclosure Project

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: July 2011

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to enhance functionality of the Redd Desk knowledge platform and to update The Little Climate Finance Book

AMOUNT: \$273,175.00

DURATION: 12 months / Start date: July 2010

**Global Canopy Foundation – ClimateWorks Grant**

PURPOSE: to support the Forest Footprint Disclosure Project

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: July 2010

**Global Greengrants Fund – Ford Grant**

PURPOSE: to support a grassroots grantmakers convening focused on climate change and women in the global south

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: February 2014

**Global Witness – Ford Grant**

PURPOSE: to ensure good governance and transparency in public policies and private investments to prevent harm to forests and people and reduce carbon emissions from deforestation and forest degradation

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: December 2013

**Global Witness – Ford Grant**

PURPOSE: to ensure that international policies to reduce carbon emissions from deforestation and forest degradation include good governance and well-monitored social and environmental safeguards

AMOUNT: \$500,000.00

DURATION: 24 months / Start date: July 2011

**Green Technology Leadership Group (GTLG) – ClimateWorks Contract**

PURPOSE: to support the REDD Working Group for the states of California, Chiapas (Mexico), and Acre (Brazil) to develop rules for inclusion of REDD credits from Chiapas and Acre under AB32

AMOUNT: \$203,647.00

DURATION: 12 months / Start date: February 2011

**Green Technology Leadership Group (GTLG) – Moore Grant**

PURPOSE: to support the REDD Offsets Working Group

AMOUNT: \$350,000.00

DURATION: 27 months / Start date: August 2012

**Greenpeace Fund, Inc. – ClimateWorks Grant**

PURPOSE: to further Greenpeace's campaign to stop deforestation and peat land clearance for palm oil expansion in Indonesia

AMOUNT: \$400,000.00

DURATION: 13 months / Start date: December 2012

**GRET – ClimateWorks Grant**

PURPOSE: to track and analyze REDD+-related climate finance from France

AMOUNT: \$54,000.00

DURATION: 15 months / Start date: August 2011

**Handcrafted Films – ClimateWorks Contract**

PURPOSE: to finalize a series of short films giving voice to communities working on climate change issues and to showcase them as part of the international climate change policy process

AMOUNT: \$100,000.00

DURATION: 10 months / Start date: March 2015

**Handcrafted Films – Ford Grant**

PURPOSE: to develop a series of short films giving voice to communities working in isolation on climate change issues and showcase them as part of the international climate policy process

AMOUNT: \$386,670.00

DURATION: 12 months / Start date: June 2014

**Handcrafted Films – Ford Grant**

PURPOSE: to create a series of short films highlighting the efforts of local communities working to prevent deforestation by ensuring community land rights

AMOUNT: \$310,000.00

DURATION: 12 months / Start date: June 2013

**Indian Law Resource Center – Ford Grant**

PURPOSE: to take a leading role in US State Department review of the United States' position on the United National Declaration on the Rights of Indigenous Peoples (UNDRIP)

AMOUNT: \$85,500.00

DURATION: 12 months / Start date: July 2010

**Indigenous Peoples Alliance of the Archipelago (AMAN) – Ford Grant**

PURPOSE: to strengthen the role and expand the influence of indigenous peoples' organizations and communities with respect to their rights over land and other natural resources in Indonesia

AMOUNT: \$400,000.00

DURATION: 24 months / Start date: July 2011

**Indufor Oy – ClimateWorks Contract**

PURPOSE: to conduct an institutional appraisal of the International Land and Forest Tenure Facility

AMOUNT: \$48,956.00

DURATION: 3 months / Start date: March 2016

**Institute for Agriculture and Trade Policy (IATP) – Packard Grant**

PURPOSE: to ensure support, market access, and clear preferences for more sustainable biofuels, farming systems, and crops based on tangible performance-based approaches

AMOUNT: \$200,000.00

DURATION: 17 months / Start date: August 2012

**International Forum on Globalization – Ford Grant**

PURPOSE: to increase indigenous participation in the United Nations Framework Convention on Climate Change (UNFCCC) Ministerial meeting in Cancun, Mexico, in December 2010, and to ensure that references to the UN Declaration on the Rights of Indigenous Peoples (UN

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: July 2010

**International Institute for Environment and Development (IIED) – Moore Grant**

PURPOSE: to provide nonpartisan analysis and research to developing country stakeholders to enable them to engage effectively in negotiations and meetings on REDD within the UNFCCC, and in other international fora on climate and forests where REDD is discussed

AMOUNT: \$174,011.00

DURATION: 12 months / Start date: July 2010

**ISEAL Alliance – Packard Grant**

PURPOSE: to increase the uptake of credible standards systems in the biofuels sector

AMOUNT: \$200,000.00

DURATION: 12 months / Start date: August 2012

**Land is Life – Ford Grant**

PURPOSE: to support a major exhibit, 'Conversations with the Earth,' which highlights interactions between indigenous groups and climate change

AMOUNT: \$60,000.00

DURATION: 12 months / Start date: July 2011

**Land is Life – Ford Grant**

PURPOSE: to contribute to efforts by indigenous peoples in tropical forest regions to grapple with issues of climate change and specifically to assist them in setting the terms for indigenous peoples in REDD projects

AMOUNT: \$200,000.00

DURATION: 19 months / Start date: June 2010

**Meridian Institute – ClimateWorks Contract**

PURPOSE: for organization and facilitation of CLUA-sponsored meetings on palm oil

AMOUNT: \$87,060.00

DURATION: 4 months / Start date: September 2012

**Meridian Institute – ClimateWorks Contract**

PURPOSE: to coordinate collaboration between Winrock International and Woods Hole Research Center on GHG emissions from tropical deforestation

AMOUNT: \$100,000.00

DURATION: 4 months / Start date: September 2012

**Meridian Institute – ClimateWorks Grant**

PURPOSE: to produce an options assessment report on agriculture and climate change

AMOUNT: \$193,600.00

DURATION: 3 months / Start date: April 2011

**Meridian Institute – ClimateWorks Contract**

PURPOSE: to facilitate FCPF Task Force on Multiple Delivery Partners

AMOUNT: \$69,164.00

DURATION: 6 months / Start date: January 2011

**Meridian Institute – ClimateWorks Contract**

PURPOSE: to convene a small group of key individuals from governments, public and private donor agencies and non-governmental organizations to discuss advancing REDD+ and agriculture as climate change mitigation strategies

AMOUNT: \$90,000.00

DURATION: 4 months / Start date: February 2010

**Michael Wells & Associates – ClimateWorks Contract**

PURPOSE: to conduct an independent evaluation of CLUA grants to the Governors Climate and Forest Task Force (GCF)

AMOUNT: \$160,000.00

DURATION: 10 months / Start date: March 2014

**Mongabay Org Corporation – ClimateWorks Grant**

PURPOSE: to build organizational capacity and develop a strategic plan in order to maximize Mongabay Org's effectiveness on reporting deforestation and land use issues

AMOUNT: \$50,000.00

DURATION: 13 months / Start date: December 2014

**Mongabay Org Corporation – ClimateWorks Grant**

PURPOSE: to support two special reporting initiatives by journalists on community forestry and deforestation

AMOUNT: \$60,500.00

DURATION: 15 months / Start date: November 2013

**National Wildlife Federation (NWF) – Packard Grant**

PURPOSE: to make biofuels and bioenergy more sustainable and to promote conservation on America's working lands

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: September 2013

**National Wildlife Federation (NWF) – Packard Grant**

PURPOSE: to make biofuels more sustainable and to promote conservation on America's working agricultural and forest lands

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: September 2012

**Natural Resources Defense Council (NRDC) – Packard Grant**

PURPOSE: to analyze and communicate the land use and climate change effects of liquid biofuels and bioenergy

AMOUNT: \$275,000.00

DURATION: 12 months / Start date: June 2013

**Natural Resources Defense Council (NRDC) – Packard Grant**

PURPOSE: to continue advancing a collection of strategies focused on sustainable biomass production for bioenergy and sustainable farming practices for crop and livestock production

AMOUNT: \$375,000.00

DURATION: 15 months / Start date: March 2012

**Organization for Tropical Studies (OTS) – ClimateWorks Grant**

PURPOSE: to support the Alliance for Global REDD+ Capacity (AGRC) to conduct an inventory of REDD+ training activities in representative countries

AMOUNT: \$35,008.00

DURATION: 13 months / Start date: December 2011

**Overseas Development Institute (ODI) – ClimateWorks Grant**

PURPOSE: to investigate the effectiveness of REDD+ finance using detailed CFU data

AMOUNT: \$161,250.00

DURATION: 12 months / Start date: August 2012

**Overseas Development Institute (ODI) – ClimateWorks Grant**

PURPOSE: to increase transparency and accountability for fast-start REDD+ finance by tracking pledged public funds

AMOUNT: \$209,001.00

DURATION: 12 months / Start date: May 2011

**Oxfam America, Inc. – ClimateWorks Grant**

PURPOSE: to ensure implementation of GHG emissions reduction commitments of the top global food and beverage companies

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: June 2016

**Oxfam America, Inc. – ClimateWorks Grant**

PURPOSE: to ensure implementation of GHG emissions reduction commitments of the top global food and beverage companies

AMOUNT: \$250,000.00

DURATION: 14 months / Start date: April 2015

**Oxfam America, Inc. – ClimateWorks Grant**

PURPOSE: to influence the food and beverage sector to make emissions-reducing changes in agricultural supply chains, particularly those of palm oil, soy, and sugarcane

AMOUNT: \$250,000.00

DURATION: 15 months / Start date: January 2014

**Partnership for Policy Integrity (PFPI) – Packard Grant**

PURPOSE: to characterize, quantify, and mitigate damage from forest loss and reduce greenhouse gas emissions associated with bioenergy

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: July 2014

**Peter Riggs – Packard Grant**

PURPOSE: for research and analysis in support of efforts to advance the sustainability of biofuels

AMOUNT: \$120,000.00

DURATION: 18 months / Start date: May 2013

**Princeton University – Packard Grant**

PURPOSE: to analyze and communicate the land use and climate change effects of liquid biofuels and associated issues with bioenergy in general

AMOUNT: \$90,000.00

DURATION: 19 months / Start date: June 2012

**Purpose Campaigns, LLC – ClimateWorks Contract**

PURPOSE: to develop and execute a digital campaign highlighting the role of indigenous peoples and local communities in protecting forests and mitigating climate change

AMOUNT: \$242,394.00

DURATION: 6 months / Start date: October 2016

**Purpose Campaigns, LLC – ClimateWorks Contract**

PURPOSE: to develop and execute a social media campaign highlighting the role of indigenous peoples and local communities in protecting forests and mitigating climate change

AMOUNT: \$200,000.00

DURATION: 3 months / Start date: October 2015

**Rainforest Action Network (RAN) – ClimateWorks Grant**

PURPOSE: to scale up ongoing work to reduce negative impacts of palm oil expansion through development of an integrated global campaign

AMOUNT: \$400,000.00

DURATION: 10 months / Start date: November 2012

**Rainforest Alliance, Inc. – ClimateWorks Grant**

PURPOSE: to encourage and promote effective, replicable and scalable models of sustainable agriculture that are supported by all supply-chain actors and will lead to reduced GHG emissions

AMOUNT: \$200,000.00

DURATION: 15 months / Start date: July 2012

**Rainforest Foundation Inc. (RFUS) – Ford Grant**

PURPOSE: to assess the state of community forest and land mapping globally and the need and feasibility of establishing a global interactive mapping platform

AMOUNT: \$220,000.00

DURATION: 12 months / Start date: May 2014

**Rainforest Foundation Norway (RFN) – Ford Grant**

PURPOSE: to maintain support for the Norway-Indonesia and Norway-Peru Reduction of Emissions from Deforestation and Degradation agreements and government investment policies that avoid deforestation in the tropics

AMOUNT: \$497,380.00

DURATION: 12 months / Start date: January 2015

**Rainforest Foundation Norway (RFN) – Ford Grant**

PURPOSE: to promote maintenance of the Norway-Indonesia REDD agreement and government investment in policies that avoid deforestation in the tropics

AMOUNT: \$467,500.00

DURATION: 12 months / Start date: January 2014

**Rainforest Foundation Norway (RFN) – Ford Grant**

PURPOSE: to safeguard the Norway-Indonesia REDD agreement and improve government investment policies that avoid deforestation in the tropics

AMOUNT: \$467,500.00

DURATION: 12 months / Start date: January 2013

**Regents of the University of Colorado, The – ClimateWorks Grant**

PURPOSE: to support the Governors' Climate & Forest Task Force in its efforts to implement jurisdictional programs for low emissions development while facilitating learning and partnerships across its membership

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: July 2015

**Regents of the University of Colorado, The – ClimateWorks Grant**

PURPOSE: to support the Governors' Climate & Forest Task Force in its efforts to implement jurisdictional programs for low emissions development and to identify common priorities and performance metrics

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: January 2014

**Regents of the University of Colorado, The – ClimateWorks Grant**

PURPOSE: to support the Governors' Climate & Forest Task Force

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: January 2013

**Regents of the University of Colorado, The – ClimateWorks Grant**

PURPOSE: for support of the Governors' Climate & Forests Task Force

AMOUNT: \$425,000.00

DURATION: 16 months / Start date: September 2011

**Regents of the University of Colorado, The – ClimateWorks Grant**

PURPOSE: to support the Governors' Climate & Forest Task Force to develop a framework and guidelines for state and province level REDD+ programs

AMOUNT: \$476,098.00

DURATION: 12 months / Start date: January 2011

**Regents of the University of Colorado, The – ClimateWorks Grant**

PURPOSE: for support of the Governors' Climate & Forests Task Force

AMOUNT: \$349,641.00

DURATION: 18 months / Start date: January 2010

**Regents of the University of Colorado, The – Moore Grant**

PURPOSE: to support the Governors' Climate & Forest Task Force in its efforts to implement jurisdictional programs for low emissions development and to identify common priorities and performance metrics

AMOUNT: \$600,000.00

DURATION: 12 months / Start date: January 2014

**Regents of the University of Colorado, The – Moore Grant**

PURPOSE: to support the Governors' Climate & Forest Task Force

AMOUNT: \$650,000.00

DURATION: 19 months / Start date: January 2013

**Regents of the University of Colorado, The – Moore Grant**

PURPOSE: to support the Governors' Climate and Forest Task Force

AMOUNT: \$875,000.00

DURATION: 19 months / Start date: September 2011

**Regents of the University of Colorado, The – Moore Grant**

PURPOSE: to enable legal experts to continue working with the Governor's Climate & Forest Task Force (GCF) to jointly develop a set of standards, criteria, and architectures for REDD implementation by the GCF member states and provinces

AMOUNT: \$442,933.00

DURATION: 15 months / Start date: November 2010

**Rights and Resources Initiative (RRI) – Ford Grant**

PURPOSE: to raise public awareness of community forest rights and encourage private sector to take these into account while reducing deforestation and associated carbon emissions

AMOUNT: \$800,000.00

DURATION: 11 months / Start date: April 2013

**Roundtable on Sustainable Biomaterials Association (RSB) – Packard Grant**

PURPOSE: to support the maintenance of credible-multi-stakeholder standards for sustainable biofuels

AMOUNT: \$300,000.00

DURATION: 12 months / Start date: July 2013

**Royal Institute of International Affairs - Chatham House – ClimateWorks Grant**

PURPOSE: to facilitate US-EU exchange on efforts to tackle deforestation in the forestry and agricultural sectors and to build capacity to enforce the EU Timber Regulation

AMOUNT: \$184,522.00

DURATION: 15 months / Start date: March 2014

**Royal Institute of International Affairs - Chatham House – ClimateWorks Grant**

PURPOSE: to promote lesson learning between Europe and the US on governance and trade approaches related to timber and other agricultural commodities

AMOUNT: \$52,032.00

DURATION: 7 months / Start date: June 2013

**Royal Institute of International Affairs - Chatham House – ClimateWorks Grant**

PURPOSE: to support a workshop to examine policies and measures used for excluding illegal forest products from consuming and third party processing markets and their applicability to the trade of key agricultural commodities

AMOUNT: \$36,787.00

DURATION: 8 months / Start date: January 2013

**Royal Institute of International Affairs - Chatham House – ClimateWorks Grant**

PURPOSE: to enable more effective implementation of the European Timber Regulation

AMOUNT: \$50,000.00

DURATION: 5 months / Start date: November 2012

**RSB Transition Management Association (RSB TMA) – Packard Grant**

PURPOSE: to transition the Roundtable on Sustainable Biofuels to an independent legal entity

AMOUNT: \$250,000.00

DURATION: 12 months / Start date: August 2012

**South Centre – Ford Grant**

PURPOSE: to increase developing-country governments' capacities to engage productively in global debates on REDD

AMOUNT: \$200,000.00

DURATION: 18 months / Start date: April 2010

**Stichting AERA (Aidenvironment) – Packard Grant**

PURPOSE: to investigate major palm oil industry players and their sustainability risk profiles, and to publish findings in financially actionable terms for a global audience

AMOUNT: \$830,000.00

DURATION: 19 months / Start date: October 2013

**Stichting BirdLife Europe – Packard Grant**

PURPOSE: to advance EU policies on biofuels and biomass that reduce greenhouse gas emissions and support other human rights and sustainability goals

AMOUNT: \$800,120.00

DURATION: 24 months / Start date: April 2016

**Stichting BirdLife Europe – Packard Grant**

PURPOSE: for analysis and outreach in support of EU bioenergy policies that effectively contribute to climate change mitigation, while minimizing adverse effects on the environment, biodiversity, and vulnerable human populations

AMOUNT: \$400,000.00

DURATION: 14 months / Start date: March 2013

**Stichting BirdLife Europe – Packard Grant**

PURPOSE: for analysis and outreach in support of EU bioenergy policies that effectively contribute to climate mitigation while minimizing adverse effects on the environment and vulnerable human populations

AMOUNT: \$300,000.00

DURATION: 15 months / Start date: March 2012

**Stichting Oxfam Novib – Ford Grant**

PURPOSE: to support work on scaling up sustainable palm oil production, building improved models for smallholder production of oil palm, and linking this work to NOVIB's on-going engagement on improving the sustainability of key internationally-traded commodities,

AMOUNT: \$200,000.00

DURATION: 17 months / Start date: August 2010

**Taxpayers for Common Sense (TCS) – Packard Grant**

PURPOSE: to engage in the debate about public priorities and federal spending for agriculture, including biofuels

AMOUNT: \$175,000.00

DURATION: 12 months / Start date: March 2012

**Tebtebba Foundation, Inc. – ClimateWorks Grant**

PURPOSE: to ensure evidence from indigenous and community monitoring influences international climate finance, programs and policies

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: July 2015

**Tebtebba Foundation, Inc. – ClimateWorks Grant**

PURPOSE: to strengthen Indigenous Peoples' rights to forests and their effective participation at local, national, and global initiatives on climate change, forests, and REDD+

AMOUNT: \$500,000.00

DURATION: 15 months / Start date: July 2013

**Tebtebba Foundation, Inc. – ClimateWorks Grant**

PURPOSE: for enabling effective participation of indigenous peoples in various global, national and local processes related to REDD+

AMOUNT: \$600,000.00

DURATION: 19 months / Start date: December 2011

**Tebtebba Foundation, Inc. – ClimateWorks Grant**

PURPOSE: enabling effective participation of indigenous peoples in various global, national and local processes related to REDD+

AMOUNT: \$600,000.00

DURATION: 18 months / Start date: July 2010

**TFT - The Forest Trust – ClimateWorks Grant**

PURPOSE: to promote responsible supply chains within the U.S. palm oil sector, including commitment to no expansion onto High Carbon Stock (HCS) forests or peat lands

AMOUNT: \$201,000.00

DURATION: 18 months / Start date: July 2012

**The Heinz Center – Moore Grant**

PURPOSE: to create a viable and broadly-agreed-upon approach to terrestrial carbon

AMOUNT: \$304,578.00

DURATION: 11 months / Start date: October 2010

**The Munden Project, LLC – Ford Grant**

PURPOSE: to build a climate financing instrument that benefits poor forest-dependent communities and reduces carbon emissions from deforestation and forest degradation

AMOUNT: \$356,500.00

DURATION: 12 months / Start date: March 2013

**The Munden Project, LLC – Ford Grant**

PURPOSE: to design and test a model carbon-trading exchange platform focused on the rights, needs and livelihood strategies of forest-dependent communities, including the rural poor

AMOUNT: \$500,000.00

DURATION: 12 months / Start date: October 2011

**The Munden Project, LLC – Ford Grant**

PURPOSE: for continued research on carbon market design and carbon market risk-management models, and development of a forest-carbon market-trading platform that is concerned primarily with livelihoods and community-based resource management

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: October 2010

**The Nature Conservancy, Inc. (TNC) – ClimateWorks Grant**

PURPOSE: to encourage the adoption by the California Air Resources Board (CARB) of regulations that integrate a REDD+ component into California's AB 32 cap-and-trade program

AMOUNT: \$95,000.00

DURATION: 12 months / Start date: December 2014

**The Years Project, LLC. – Ford Grant**

PURPOSE: to produce a film segment on deforestation and community rights in Indonesia for a television show about climate change called the Years of Living Dangerously

AMOUNT: \$400,000.00

DURATION: 12 months / Start date: April 2013

**Third World Network (TWN) – Ford Grant**

PURPOSE: for research, analysis, monitoring and communications activities with regard to REDD programs and policy making in developing countries

AMOUNT: \$300,000.00

DURATION: 24 months / Start date: March 2012

**Third World Network (TWN) – Ford Grant**

PURPOSE: to increase its research capacity to do communications work on REDD in the context of climate finance, indigenous rights, carbon markets, and monitoring the UN processes

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: July 2010

**Tropical Forest Group – Moore Grant**

PURPOSE: to track and analyze the United States-based fast-start REDD+ financing support pledged during the UNFCCC Conference of the Parties 15th Session

AMOUNT: \$206,850.00

DURATION: 26 months / Start date: August 2010

**Union of Concerned Scientists (UCS) – ClimateWorks Grant**

PURPOSE: to encourage countries with the largest greenhouse gas emissions (GHG) from land use to commit to reduce those emissions in the post-2020 period in amounts consistent with science-based assessment of mitigation potential

AMOUNT: \$250,000.00

DURATION: 14 months / Start date: November 2014

**Union of Concerned Scientists (UCS) – ClimateWorks Grant**

PURPOSE: to accelerate the implementation of policies in both the public and private sectors to reduce GHG emissions from land use

AMOUNT: \$350,000.00

DURATION: 12 months / Start date: September 2013

**Union of Concerned Scientists (UCS) – ClimateWorks Grant**

PURPOSE: to incubate a quarterly or semi-annual report on deforestation, peatland degradation, and rural violence related to palm oil expansion

AMOUNT: \$240,000.00

DURATION: 10 months / Start date: January 2013

**Union of Concerned Scientists (UCS) – ClimateWorks Grant**

PURPOSE: to accelerate the implementation of policies in both the public and private sectors to reduce GHG emissions from land use

AMOUNT: \$450,000.00

DURATION: 14 months / Start date: July 2012

**Union of Concerned Scientists (UCS) – ClimateWorks Grant**

PURPOSE: to support the Tropical Forest and Climate Initiative

AMOUNT: \$550,000.00

DURATION: 12 months / Start date: August 2011

**Union of Concerned Scientists (UCS) – ClimateWorks Grant**

PURPOSE: to support the Tropical Forest and Climate Initiative

AMOUNT: \$550,000.00

DURATION: 12 months / Start date: July 2010

**Union of Concerned Scientists (UCS) – Packard Grant**

PURPOSE: to build support for commercial-scale production of better biofuels made from sustainable feedstocks

AMOUNT: \$150,000.00

DURATION: 12 months / Start date: August 2012

**United Nations University - Institute of Advanced Studies (UNU) – Ford Grant**

PURPOSE: to support the Institute for Advanced Studies to publish and disseminate a report on rights and safeguards with respect of REDD and indigenous peoples

AMOUNT: \$150,000.00

DURATION: 16 months / Start date: February 2012

**University of California, Davis – Packard Grant**

PURPOSE: to leverage current research on low-carbon fuels to provide technical support for science-informed policy in Washington and Oregon

AMOUNT: \$246,112.00

DURATION: 12 months / Start date: June 2014

**Voluntary Carbon Standard Association (VCS) – ClimateWorks Grant**

PURPOSE: to bring project-site-level activities into broader GHG mitigation accounting frameworks

AMOUNT: \$356,205.00

DURATION: 23 months / Start date: November 2010

**Winrock International – ClimateWorks Grant**

PURPOSE: to develop an article for publication to clarify the difference between gross versus net deforestation and emissions and why making this differentiation is important for policies related to climate change mitigation

AMOUNT: \$21,302.00

DURATION: 7 months / Start date: August 2012

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: to develop and publish a report on the economic benefits and costs of secure indigenous and community forest tenure, and to develop a global map of indigenous and community lands

AMOUNT: \$297,533.00

DURATION: 20 months / Start date: April 2015

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: to facilitate US-EU exchange on efforts to tackle deforestation in the forestry and agricultural sectors

AMOUNT: \$136,644.00

DURATION: 13 months / Start date: March 2014

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: to develop a signature report on community forest rights and include spatial data on community land and natural resource claims within the Global Forest Watch 2.0 online platform

AMOUNT: \$450,000.00

DURATION: 13 months / Start date: November 2013

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: to support global engagement on REDD+ policy, including UNFCCC analysis of remaining FCPF R-PPs as well as analysis of safeguard information systems and accounting rules

AMOUNT: \$47,941.00

DURATION: 3 months / Start date: November 2012

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: for research, analysis, and convening to help ensure that forest governance is integrated into REDD+ strategies and safeguards at national and international levels

AMOUNT: \$200,000.00

DURATION: 14 months / Start date: August 2011

**World Resources Institute (WRI) – ClimateWorks Grant**

PURPOSE: for support of mobilizing civil society networks of the Governance of Forests Initiative for designing global REDD+ finance

AMOUNT: \$198,000.00

DURATION: 12 months / Start date: July 2010

**World Resources Institute (WRI) – Ford Grant**

PURPOSE: to convene a range of global experts from government and civil society to discuss successful approaches to underpin future intergovernmental arrangements for forests

AMOUNT: \$100,000.00

DURATION: 12 months / Start date: October 2014

**Yale University – ClimateWorks Grant**

PURPOSE: to support The Forest Dialogue's Free Prior and Informed Consent (FPIC) initiative

AMOUNT: \$20,000.00

DURATION: 6 months / Start date: October 2011
